## Upcoming Participation Initiatives

Canterbury Golf are working in conjunction with NZ Golf on two key initiatives to help grow participation numbers with programmes and events in Canterbury.

Following on from our successful Team Golf series run in the Setwyn region we will hold six events throughout Canterbury which will kick off in October. We have developed the event further to offer both a 6 hole and 9 hole option for young beginners. Those younger and new to golf can play in a fun

ambrose team format with 6 Hole Team Golf while those who are more experienced have the opportunity to play 9 Hole Team Golf. Both events are played on a shortened course which have proved very popular with the children.

September will also see the national campaign She Loves Golf getting into action. Canterbury Golf will be working with clubs to provide programmes that encourage more women to get involved with golf.

A family ambrose is scheduled mid December as part of the Team Golf Series with a special She Loves Golf category to encourage more mums to get involved as well. She Loves Golf coaching opportunities will be available to develop some basic skills to be able to play these events.

## News in Brief

### Sponsors Helping Develop the Game

Hellers and Saunders Robinson Brown have been loyal and valued sponsors of Canterbury Golf over the past 10 years.

Hellers support many sports in the Canterbury community, and Canterbury Golf are fortunate that golf is one of them. Hellers contribute to the junior development programme and the Junior Order of Merit. Both initiatives foster young people in golf and provide a development pathway. Hellers Brand Manager Brydon Heller recognises the values that golf provides in developing healthy and well rounded young people.

Prominent Christchurch lawyers Saunders Robinson Brown have a passion for golf and sports. Over 10 years ago they partnered with Canterbury Golf to start the "SRB Academy" to support the player development of Canterbury's top players. Retired Partner and Canterbury Golf Life Member Geoff Saunders has been instrumental in maintaining the relationship, with the reins now being handed over to Partner Mark Bond.

### Town v Country

The Town versus Country event was played at Coringa with the course in great order for the annual representative fixture.

In the men's seniors, country overcame a 4-2 foursomes deficit in the morning to win the afternoon singles 7.5-4.5, with some very close matches going down to the wire, before defeating Town 9.5-8.5.

The men's masters ended in a convincing win for country, winning the foursomes 3-1 and their singles matches 6-2 for a 9-3 win.

The junior men's country team also overcame a 3-1 morning foursomes loss winning their singles 5-3 to square their match with the town team 6-6.

The women's masters were all square after the foursomes but a strong display in the afternoon singles saw Country win all their singles matches to win 5-1 and give Country a convincing 29.5-18.5 overall win against Town.
