Measuring Our Progress

Canterbury Golf has six key strategic drivers for 2018-2021 to support the golf clubs in Canterbury and the development and future of the amateur game. The following outcomes have been achieved over the past 12 months.

Participation	<p>Futures Canterbury Selwyn Hub launched for young people & families.</p> <p>Young People in Golf Development Plan released.</p> <p>17.7% increase in Girls U19 membership.</p> <p>162 young people played in one or more of 23 Futures Canterbury events.</p>
Talent Development	<p>Canterbury Golf's talent development is aligned and supported by NZ Golf.</p> <p>Talent Development Plan incorporated into Young People in Golf Plan.</p> <p>Six Canterbury players selected for NZ Golf representative teams and travelling squads.</p>
Profile & Perception	<p>20 golf clubs visited by Canterbury Golf.</p> <p>Canterbury Golf highlights video produced for Awards Dinner.</p> <p>Increased website and social media traffic.</p>

Communication	<p>Implementation of Communication Plan initiatives with a focus on sponsor communication.</p> <p>Futures Canterbury website and Facebook page launched.</p> <p>In-house production of promotional material leading to improved quality and professional appearance.</p> <p>Email newsletter opened by over 60% of subscribers.</p>
Club Sustainability	<p>Canterbury Club Golf Forum with 80 participants from 23 clubs. 100% of participants would likely or definitely recommend attending another forum.</p> <p>New format for Club Manager engagement providing better focus on club issues.</p> <p>Three year Mainland Partnership completed.</p>
Income	<p>New income represents 9.7% of total income.</p> <p>Major corporate sponsor found for the Futures Canterbury.</p> <p>A proposal for tiered sponsorship packages is being considered.</p>

President’s Report

Summarising the events of a whole year is challenging, when so much has been achieved within golf, in Canterbury.

I would like to recognise the sad passing of long term Canterbury Golf supporter Peter Mott who passed away in January. Among his many contributions to golf in Canterbury, Peter was a Past President of Canterbury Golf, had been a Convenor of Selectors and was awarded a Life Membership for his outstanding service to golf.

Highlights

The year is sprinkled with highlights, from Jason Sincock breaking Murray Brown's 12 year old record of 233 games of Woodward Cup, to 10 year old Cooper Moore winning the World Stars Junior Championship played in Las Vegas and the outstanding win of the NZ PGA Championship at Pegasus Golf Club by Kazuma Kobori, among his many other victories for the year. In recognition of her many achievements, Juliana Hung was awarded Canterbury Sport's Outstanding Young Sportswoman of the Year and our representative teams were outstanding with the Womens Masters Team winning their National Championship and our senior Men's and Women's teams achieving strong results in their respective national championships. Many more notable golfing accomplishments were achieved, which will be covered in more detail later in this report.

In June, I had the great pleasure of joining over 150 past and present members of the Coringa Golf Club as they celebrated the club's jubilee with a round of golf followed by a ceremony in the club house afterwards. Congratulations to their Chairman Richard Kingsbury, their Board and organising committee ably lead by Alan Smith for putting on such a well planned celebration. Thanks must also go to all their members for their kind and warm hospitality. Congratulations to everyone involved; more celebrations are planned in October.

A highlight of the year was the launch of our first Futures Hub. The concept of a hub is where a group of clubs are brought together to pool and share resources. In this case seven clubs, mostly in the Selwyn area, are involved. Benefits of the hub are – organised events by a paid coordinator, regular coaching, playing rights at any of the participating clubs and encouraged participation by parents/grandparents. Launched in February, the Futures Canterbury Selwyn Hub has already attracted 57 children and 23 adults. Plans are now being investigated to form a further hub in Canterbury.

To find out more about the Selwyn Hub, a Case Study is available from Canterbury Golf's website. Just go to www.canterburygolf.co.nz and search for "Selwyn" in the search bar and open the "Case Study" link. It is very well

written by Richard Hudson from NZ Golf.

It is good to see golf participation picking-up in Canterbury with rounds played increasing by 12.3% over last year to 264,375 rounds.

Governance

Balancing the books, growing costs and reducing income is a real issue for us. As I alluded to at our Annual Awards Dinner, in preparing next year's budget, we are looking very hard at cutting our costs. This will include some things that were previously provided free-of-charge. Cutting into reserves is not a viable solution.

Concurrent with this, due to the unreliable nature of receiving grants from funding organisations, we have put a lot of work into developing our sponsorship plan. This will result in building stronger, more mutually beneficial, sponsorship partnerships. Our sponsorship plan will see sponsors receiving more tangible benefits from their partnership with Canterbury Golf while growing our revenue in a reliable manner, over multiple years.

If you would like to know more about sponsorship opportunities, or know of anyone we should talk to, just let our General Manager (Grant Lewis) know.

Club Services

Our effort to engage with each of our 37 clubs is on-going. Club visits form an important aspect of that engagement and I am pleased to report over half our clubs have had official visits from Canterbury Golf in the past year.

On 5 May, we facilitated the first Club Forum with all 37 Canterbury Clubs invited to attend. While attendance was very good with 80 people representing 23 clubs present, 14 clubs did not attend. Going by the feedback we received from the day, those who did attend got real value from it and all who responded to our survey said they would attend again in the future.

With topics such as – Maximising Club Profitability, Effective Governance, Using Technology to Drive Your Club, and Club Sustainability, plus with all costs being covered by sponsors, there were no barriers to attending and with the interactive format of the day, lots of great real-world discussion took place. Added to the day was a fascinating insight into the business and golfing world of Todd Heller (founder of Heller Tasty and generous golf supporter) who kindly spoke to us after lunch about his golfing and business experiences.

Also attending were Sir Bob Charles, Dean Murphy (CEO NZ Golf), Carl Fenton (Sector Relationship Manager, NZ Golf), Mike Howard (Director, NZ Golf) Matt Smith (Dot Golf), the complete Board of Golf Managers Association of NZ, Ginny Bolderston (Aorangi Golf Board Member), Malcolm Wood (Community Golf Manager, Aorangi Golf) and Chris Pugh (Community Golf Manager, Tasman Golf).

The day was expertly facilitated by Stephen Gee who did an amazing job, stimulating much thought and discussion from us all. Special thanks must go to Neville Bamford (GM of Harewood Golf Club), Andrew Bell (GM of Clearwater Golf Club) and Grant Lewis (GM of Canterbury Golf) for putting the day together including organising the venue (Clearwater Golf Club), the speakers, catering and attendees. I would like to acknowledge and thank the sponsors for their generous support – Power Turf, Asahi, GMANZ and Clearwater Golf Club.

Volunteers

"I chose to volunteer as it is a small way that I can give back to a sport that gives me so much enjoyment. I'm sure nobody needs to be told that the survival of any amateur sport requires some people to put their hand up and help organise or assist with anything to make the sport or club viable."

"I get great pleasure in helping with tournaments, meeting other likeminded volunteers and representing the Culverden Golf Club and getting our club's name out there. We may be a small club but I like to think that at the least we are doing our small bit for the big picture".
Robin Bossan, Culverden Golf Club.

I think Robin sums it up extremely well; giving back, being involved and contributing to a successful outcome is a rewarding pleasure.

I want to recognise the valuable contribution made by all the volunteers at club and regional level. They are often unseen heroes working in the background as managers, convenors, spotters, scorers, selectors, the list goes on. Thank you all for everything you do for your fellow golfers. If you would like to volunteer for any regional events, please contact our GM Grant Lewis who would be pleased to hear from you.

The Eagles Golfing Society is a special group of volunteers. Their support of junior golf is important for developing our future golfers. Through their fund raising efforts, the Eagles annual junior golf tournament is free to enter and is an important event for juniors as their game develops. On behalf of everyone involved in Junior Golf and golf generally, I would like to thank them for their valuable support in this area.

Canterbury Golf Awards Dinner

The awards dinner was held on 21 June and continues to be a highlight in our calendar. It provides the platform where we can recognise and award those involved in our sport, sharing and celebrating their outstanding achievements.

This year's function was held at the Christchurch Golf Club which provided an excellent venue along with superb

service from their staff. On behalf of everyone attending, I would like to thank their Chairman, Bryan Andrews and his team for ensuring everyone had a most enjoyable evening.

The guest speaker didn't quite work out as planned with Israel Dagg telling us at late notice, that he had a clash with commentating at the rugby that night. The alternative plan put together by Grant and the Canterbury Golf team worked out very well; the "Melting Pot" was created which involved hearing from Israel Dagg via pre-recorded video, Amelia Garvey (also via pre-recorded video as she was still in the UK after placing runner-up in the British Amateur), Michael Smith (Chairman of NZ Golf), and Stephen Parkyn (CEO of Lamb and Hayward). Stephen proceeded to enthral the audience with a talk about his involvement with golf and about Lamb and Hayward (major sponsors of Canterbury Golf). His talk was punctuated with great humour throughout but at times, there was a more serious note, especially when he talked about his company caring for all 51 mosque shooting victims and their families.

Phil McGoldrick continued to provide us again with his polished MC skills, keeping things moving while entertaining us with some very funny stories throughout the evening. On behalf of everyone there, I would like to thank Phil for the exceptional quality he brings to this very special event.

Congratulations to all the award winners, full details are included in this report.

Finances

As previously indicated, we have worked hard on achieving a balanced budget for the forthcoming year. Costs have been carefully scrutinised and tough decisions made. The good news is, we have been able to achieve a cash budget with only a very small deficit of -\$426.

Our revised sponsorship plan is intended to reduce the dependency we currently have on receiving funding grants. Our sponsors are extremely important to us and I would like to thank them all for their continued support of Canterbury Golf.

Staff and Executive Committee

Our staff continue to amaze me with their dedication, hard work and commitment. Golf in Canterbury is fortunate to have the benefit of their efforts. I would therefore like to thank Grant, Rachel and Mike on behalf of the Executive Committee and also on behalf of all golfers in Canterbury, for their willingness to go the extra mile to ensure everything runs well.

In closing, I would like to thank my fellow Executive Committee colleagues for their input and contributions throughout the year.

Steve Kilpatrick
President

General Manager’s Report

It is with pleasure I present this General Manager's Report nearing completion of ten years in the role. Looking back, time has flown and so much has been achieved in this time. Every year we continue to strive and improve our support of clubs and golf in the region.

Finances

What is increasingly difficult is the financial challenge for Canterbury Golf. When I first started funding seemed to come reasonably easy, particularly from Gaming Trusts and generous sponsors. Along with the continued erosion of levy income, the squeeze is on Gaming Trust funding, and sponsors, quite rightly, are demanding more “bang for their buck”. Canterbury Golf has always strived to provide more programmes, new initiatives, and greater value to our stakeholders. However this requires funding, with new funders required to fund new programmes. We could just “shut up shop” and provide core services based on guaranteed income but this is not what we are about so we will continue to push to source new income and provide more for golf in the region.

We will again post a small loss this year. While we met cost targets, it was income that suffered this year, particularly when we didn't get some Gaming Trust funding that we had sourced in previous years. This income was not in the budget but we decided to provide the programmes anyway for the benefit of clubs and take the loss. This will not happen in the coming year as we are committed to at least a break even position.

Sponsors

Our major corporate partner Lamb & Hayward increased their support with funding for the Futures Canterbury Selwyn Hub. This is a very exciting initiative for Canterbury Golf and we are grateful that CEO Stephen Parkyn shares our vision for the programme. In six months the Selwyn Hub has progressed beyond expectations and we are now scoping out the set up of another hub in the city and North Canterbury regions. Thanks to Fenix and Laurie Goodson for supporting the men's rep teams, and to our ongoing sponsors - your support means a great deal to us. The golfing community got an insight into the engaging personality of Stephen Parkyn at our recent Annual Awards Dinner when he “subbed in” as guest speaker and had everyone captivated with his dry sense of humour, tales from the funeral industry and his passion for golf.

Club Forum

The Canterbury Club Golf Forum was a highlight of the year with 80 people attending from clubs and all parts of the industry to discuss current issues in golf. It was heart warming to see club leaders and volunteers give up their time to increase their knowledge base to better lead and support their clubs. Many great stories have come out post forum with cost savings made by clubs, improved planning processes, and other improvements to club operations. Thanks must go to Andrew Bell and Neville Bamford for co-organising the event with me – two Managers who have a greater vision for golf in the region outside of the great job they do at their own clubs.

Representative

Hosting of the NZ Men's and Women's Interprovincial last December brought the spotlight on amateur golf in Canterbury. Both our teams, and their management are to be congratulated for their performances on and off the course – they did Canterbury proud. Equally, thanks to host courses Clearwater and Waitikiri, and to the many people who volunteered to help with the tournaments. We also hosted sponsor/supporter functions at both tournaments that provided the opportunity for those people to engage with each other, our players, and our volunteer leaders. The Women's Masters team are to be congratulated for a massive turn around from previous years to win the National Championship – long may it continue.

Mainland Partnership

The Mainland Partnership is under review after completion of the initial three year agreement and there is no doubt that the nature of the relationship will change. Started in 2016, this collaboration has been very successful adding value to the three districts involved. Thanks must go to New Zealand Golf for supporting the initiative which is being replicated in other parts of New Zealand. In particular, thanks to Carl Fenton and Dean Murphy for their support over the year. Creating efficiencies through sharing of resources is the future for district golf administration.

Membership

The membership versus casual play debate is an interesting one. While club membership dropped 1.2% over the last year, number of rounds played increased 12.3%. This points to the increased casualisation of the game and a move away from traditional membership models. Clubs that adapt to the change in how people are engaging in our sport will be the ones that are sustainable in the future.

This year I completed a five year journey and gained the Certified Club Manager (CCM) qualification. The CCM designation is an internationally recognised benchmark for club management professionals administered by the Club Manager's Association of America. I was fortunate to be one of the first six people in New Zealand to gain the designation. I would like to thank the Executive Committee for their support and investment in staff professional development.

Finally to our team – Rachel, Mike and Richard, and our contractors Neil Birkett, Dennis Maguire and Pip Deans. What a great bunch to work with and I know they go “the extra mile” to try and exceed stakeholder expectations – we are lucky to have such dedicated staff. Also thanks to the Executive Committee for their support, in particular the advice and counsel of President Steve Kilpatrick who truly understands the importance of the GM/President partnership.

Grant Lewis
General Manager

Staff Reports

Golf Operations & Support

It's been another busy, successful year in the Canterbury Golf Operations and Support area with the recent new rule changes creating considerable interest and necessitating changes to our interclub and tournament conditions, which has kept me busy.

The weather has been our friend to date, with a warmer and dryer start to 2019 causing very little disruption to our 366 interclub competitions and tournaments. Hopefully this will be a sign of things to come, especially with the Woodward, Blank, Simon and Pollock Cups starting a month later this year in order to achieve better playing conditions.

Canterbury Golf depend on Club Administrators, Volunteers, Convenors and Referees for the smooth running of our events during the year. Your contribution, time and understanding are genuinely appreciated, particularly when things can change at short notice.

Our volunteers are an integral part of what we do at Canterbury Golf and we are always looking for people keen to be involved in our five main events during the year. We generally only require assistance to start the field for a maximum of two hours and it is also a great opportunity to see first-hand, our top men, women and junior golfing talent in action from around the Canterbury Region. If that sounds like you, please let me know mike@canterburygolf.co.nz.

Thank you also to those clubs who invited us to their course during the year to attend a meeting or to participate in your club day and engage with members and club officials who we deal with day to day. It's invaluable and a real pleasure to put a face to the names, while sharing mutual thoughts and ideas of how we can foster our relationship further. We are always available and look forward to visit, so just ask.

It was also great to meet many of the Club Captains at our Captains Day tournament at Hororata, this was a great day out and enjoyed by all. As with all our events, this tournament is currently under review and a decision regarding it's continuing viability will be made in due course as a result of less than half of our clubs supporting the event over the past five years.

As an advocate for clubs, I'm keen to share best practice ideas that add value or make life a little easier as a result. So, if something in particular works really well at your club or you see something that could be done more efficiently, please let me know.

Good golfing, and keep in mind ... "Winning doesn't always mean being first. Winning means you're doing better than you've done before".

Mike Millward
Golf Operation & Support

Golf Development Manager

It's been a successful 12 months for golf development in Canterbury. Launching our first Futures Canterbury hub has had an immediate impact with capacity to grow even further. The Canterbury representative teams have also performed well throughout the year with a win at the NZ Women's Masters for the Canterbury team.

Young People & Families

Our vision is to have more young people actively engaged in golf, in order to grow participation we need to support the development of young people so that they receive quality golf experiences which inspire a lifelong engagement with golf.

Canterbury Golf's Young Person Development Plan outlines a framework journey starting with those newer to the game through to talent development. With each stage of development we have grown the programmes and events we offer to meet the participants needs.

Based on the successful Team Golf pilot in the Selwyn region work began on the next step. A collective of seven golf clubs was formed to launch the Futures Canterbury Selwyn Hub. The Selwyn Hub provides fun golf events and learning opportunities for young people and families with playing rights at the seven courses.

The golf clubs involved in the Selwyn Hub are Charteris Bay, Ellesmere, Greendale, Hororata, Lincoln, McLeans Island and Tai Tapu. Canterbury Golf is the first district in New Zealand to take a leadership role in forming a hub. This has helped to provide the support and resources necessary to launch the hub and provide a sustainable platform going forward which is supported by all seven clubs. Each club has a representative that sits on the Selwyn Hub Committee to ensure the project continues with an aligned approach.

The Selwyn Hub was successfully launched in February 2019 and to date has 57 junior members along with 23 parent members. The hub offers a parent membership to allow them to play alongside their child. This membership has helped to attract those in the 30-45 year old age bracket.

I would like to acknowledge Richard Hudson from NZ Golf who has been an integral part of the team to get the Selwyn Hub formed. Essentially this has been like forming a new club and there have been many policies and structures to put in place which Richard has led.

We have contracted Pip Deans to manage the delivery aspect of the hub's many events along with the professional coaching services of Kevin Hughes. We are fortunate to have these passionate people involved in the delivery of the hub activities.

The early success of the Selwyn Hub is clear with more than 50% of our members being new to golf membership.

The collective club approach has certainly addressed the lack of resources and volunteers that clubs experience. We look forward to growing the Selwyn Hub further while continuing to provide engaging and quality experiences for both young people and families. Club discussions are currently underway to form other hubs in the Canterbury region.

Overall there has been a 17.7% increase in junior girls membership and a 0.5% increase in junior boys in the past 12 months which shows the work being put into this area. Our priority is focused around increasing active engagement and retention of young people.

Player Development

Canterbury Golf continues to invest in player development through the valued continued support of Saunders Robinson Brown and Hellers.

With five different squads operating, for both girls and boys, we have been fortunate to be able to deliver programmes to assist Canterbury players with their development. The continued support from NZ Golf has also been vital to assist us in providing a complete development framework which provides the opportunity for Canterbury golfers to achieve their aspirations.

I would like to acknowledge the Canterbury players that have represented New Zealand, Amelia Garvey, Juliana Hung, Matt McLean, Kazuma Kobori and Peter Brinsdon. Both Juliana, Matt and Kazuma were also selected for the NZ Golf National Academy.

The achievement by Juliana Hung to win the Canterbury Young Sportswoman of the Year award was again remarkable given the world class nominees she was up against.

Representative

The Canterbury representative teams have all performed well capped off with a remarkable win by the Canterbury Women's Masters Team that won the national title for the first time since 2000.

The Flexi Lease Canterbury Women's Team and Fenix Canterbury Men's Team played exceptional golf to finish second and third respectively at the NZ Toro Interprovincials. Both Waitikiri and Clearwater Golf Clubs provided great venues for these events.

The Canterbury Men's Masters team finished in 5th place at the NZ Freyberg, the Girls Interprovincial Team tied for 5th and Boys Interprovincial Team in 3rd place.

I am very grateful for the experienced selectors and managers involved in our representative programme. Their continued support and dedication is appreciated.

Rachel Thow
Golf Development Manager

Regional Support Manager

As we look back on the last 12 months, there are many reasons to feel satisfied that as an industry we are making positive progress. For golf to continue to prosper into the future, it is crucial that we all play a role in growing the number of new participants across different market segments and demographics. New Zealand Golf, with the support of district associations and golf clubs, continues to introduce a number of initiatives aimed at growing participation and raising the profile and perception of golf in our community.

Club health is a key priority and golf club membership remains especially important for golf. The Canterbury Club Golf Forum held in May provided a significant opportunity for golf club leaders to explore the key issues facing the industry and share ideas to develop innovative solutions.

To support the visibility of golf club membership, New Zealand Golf launched the Love Membership campaign in October last year to promote the value of golf membership through promotions aimed at sharing the stories of golfers and how belonging to a golf club has enriched their lives. There are currently 7,460 registered casual golfers in the Canterbury region with Love Golf Play providing a platform for golf clubs to promote membership products, green fee play and coaching directly to this group of golfers.

Love Golf Flexiclub was introduced in October 2018 to provide casual golfers with the flexibility to pay for play at a variety of courses and obtain an official New Zealand Golf handicap. It has been designed to specifically engage casual golfers who are not currently in a position to join a golf club or to act as a stepping stone for casual golfers towards club membership. The average age of a Flexiclub member is 45 years old and 79% have never been a member of a golf club and have never held a handicap. With 1220 casual golfers joining nationwide (132 in Canterbury) since its launch, close to 100 Flexiclub members have already gone onto join a golf club.

Working in partnership with Canterbury Golf and a collective of golf clubs in and around the Selwyn region, NZ Golf has supported the development of the Futures Canterbury Selwyn Hub to raise the profile of golf in that community and attract more young people and families to our game. Rachel Thow, Pip Deans and Kevin Hughes have been integral to driving this project and the growing membership and participation numbers at hub events are key indicators of the progress that is being made in the Selwyn region.

Finally, I would like to offer my sincere thanks and appreciation to the staff and the Executive of Canterbury Golf for the opportunity to work in partnership to grow and support golf in the Canterbury region.

Richard Hudson
NZ Golf Regional Support Manager

Sub Committee Reports

Canterbury North

Golf in North Canterbury continues to be strong although clubs are, like most other areas, struggling to keep playing numbers up. The courses' playability are a credit to the green staff and volunteers who work hard in sometimes trying circumstances.

Interclub

The number of teams playing in the Templeton Cup competition increased to 19 teams. The Kaikoura Cup numbers this year decreased by one. Kaikoura entered teams in the Kaikoura Cup and Templeton Cup again by invitation this year.

We are as always grateful to all the clubs that make their courses available for interclub competitions and I would like to once again give my personal thanks to Mike Millward for his assistance in helping things run smoothly.

Representative

The North Canterbury teams travelled to Hanmer Springs to take on Nelson in their annual representative match. The course was presented in great order with the weather playing its part with great conditions. North Canterbury took the honours in the Seniors 14.5-1.5, with Nelson being too strong in the Intermediates 16-6.

The fixture against Marlborough was played this year at Kaikoura after a two year hiatus. The North Canterbury Seniors were 9-6 victors, the Juniors drew 3-3 and Marlborough won the Intermediates 7.5-4.5.

This year the North Canterbury team travelled to Reefton to play Buller-Westland. The Senior team continued their winning form with a 11.5-8.5 victory. This is to become an annual fixture.

The North vs Central match was this year won by North with the Seniors, Masters and Intermediate teams all defeating Central. The overall result was North 22 – Central 14.

The results for the North Canterbury Senior team were exceptional, the team were undefeated in all four of the representative fixtures.

In closing I would like to thank my committee for their help over the past 12 months and once again in particular my representative selectors Bruce Hutchison and Jason Sincock for the work they have done in ensuring the representative fixtures have gone smoothly.

Thanks also to the team at Canterbury Golf for their help during the year. We look forward to the 2019/2020 year with continued confidence.

Terry Waghorn

Convenor

Canterbury Central

Interclub

The number of teams entered in our four main competitions have remained the same but there has been a slight change with one less team in Patterson Cup, two extra teams in Brownie Cup and one extra in Central Shield. We are a little disappointed in the number of shield teams as we reduced the number of players per team from 6 to 4 hoping to increase the number of teams. This is a work in progress as we will try to get a couple of composite teams for next year. A big thank you to all the Central Clubs for making their courses available for the interclub competitions throughout the year. This year the Weedons club produced all the winners, so congratulations to them. The Patterson Cup winning team went on to win the Cresswell Cup while the Weedons Black team won the McGuire Hendon Cup.

Representative

In our annual fixture against North we came up short losing 15-21 so congratulations to North and a big thank you to Waimakariri Golf Club for supplying their course in great condition. The Buller-Westland match played at Hororata was won by Central 17-15. A big thanks to Hororata Golf Club and to all the players who made themselves available for the rep matches. We are still hoping to get an annual match against Aorangi up and running again but this may end up being a Canterbury Country team as against a Central Team.

Congratulations to Ian Knowler who won the “Volunteer of the Year” award at the Canterbury Golf Awards Dinner. Ian is a valued member of the Weedons Club.

Another major development within the Central region was the launch of the Selwyn Hub. This Canterbury Golf initiative in partnership with NZ Golf is aimed to get young people and families playing golf and has been supported by our local clubs. The clubs that have signed up are Hororata, Greendale, Ellesmere, McLeans Island, Lincoln, Tai Tapu and Charteris Bay. Judging from the numbers attending the coaching and events, the Selwyn Hub has been very successful to date.

My thanks to all the members of the Central Committee for their time and assistance during the year with special thanks to Wayne Hallinan for his time selecting the rep teams. Thanks also to the Lincoln Golf Club for making their clubhouse available for our meetings.

Finally a huge thanks to the staff at Canterbury Golf for their guidance and help throughout the year.

Barry Harker

Convenor

Women's Events

In a similar pattern to recent years, the 2018-19 Canterbury women's calendar has been full with interclub, national-based competitions, club and Canterbury Golf tournaments.

The interclub competitions were contested by a total of 81 teams, down by two from the previous year, but still providing highly competitive, and much enjoyed matchplay at all levels of handicap abilities. During the year, consideration was given to proposed changes to the weekend and midweek competitions. Following a club survey, detailed analysis of matchplay results, and forum discussions, the Committee resolved that the 2019 conditions of play remain unchanged.

2019 interclub results saw Waitikiri win the 36 Hole Silver competition defeating Clearwater in a cliffhanger final decided on the last putt of the match to give Waitikiri their second 36 hole title in the past three years. Having previously lost several 36 Hole Open finals to Tai Tapu 2 team mates, the Tai Tapu 1 team were thrilled with their win over Weedons in the final. In a back to back win, Russley 1 took the midweek 18 Hole competition, but only after a sudden death play-off to defeat Clearwater. Pegasus was a first time winner of the Weekend competition, defeating Bottle Lake in the final. The 9 Hole Interclub final was an all North Canterbury affair with Rangiora 2 decisively defeating Amberley in their stableford format. Hawarden won the 2018 Canterbury North competition for the second year running. It is encouraging that this region continued to maintain their seven team competition despite low club membership numbers.

2018 saw the introduction of the new Pollock Cup format with an increase to six-person teams and a players draft pool to strengthen the competition. The aim was to re-energise the competition by increased club participation, a development pathway for players, and an opportunity for smaller clubs to compete. While some issues were subsequently raised at a forum of clubs and players, the 2019 competition, will be played with mostly unchanged conditions.

Russley won the 2018 Pollock Cup, defeating Pegasus in a closely fought final. The Merle Barley Salver for the player with the best record in the Pollock Cup round robin games was won by Pegasus's Jessica Crosbie who was unbeaten in all her rounds.

This past year has been one of outstanding performance by Canterbury women's teams at national level and individual players at international events. These are detailed in other sections of this report. Of special mention however is the remarkable win by the Canterbury Women's Masters team in taking the NZ Masters title, coming some 18 years after the province's previous win.

At club level, we congratulate our Canterbury women who performed with distinction in the National 2018 Women's Home Links Competitions: Allison Doell from Waimairi Beach won the Coronation Medal with -7.8 under NZCR, and Sandy Stewart from Templeton who finished third in the 9 hole Sue Bunt Salver with -6.6 under NZCR. The 2018 Canterbury Champion of Champions was won by

Juliana Hung of Russley, with Rosemary Allan of Ellesmere winning the 9 hole championship.

Thanks are due to the Women's Match Committee for organising events and competitions during this past year. Our annual plea is for more women to offer themselves for election to this committee to bring fresh input into progressing women's golf in Canterbury. We conclude with our appreciation of the support of all our activities by Canterbury Golf staff, Grant, Rachel and Mike – Canterbury is well served by such a professional team.

Pam Ellis

Convenor

Men's Events

The interclub season culminated with Finals Day at Russley with Woodward, Blank, Simon and Pollock Cups competing. All the finals matches were closely fought and played in good spirit between the clubs.

Hororata were promoted to Woodward Cup, being the leading team in the promotion relegation match, and will no doubt relish the opportunity to be involved in the 2019 competition.

All three Canterbury Championship events, which included the Canterbury Stroke Play, Canterbury Matchplay and Canterbury 4BBB Championship attracted high quality fields. The Canterbury Men's Champion of Champions was also successfully run with Christchurch winning the gross teams title.

Thanks must go to the many volunteers who have, along with Dennis Maguire, made these tournaments run smoothly. Also the clubs who have made their courses available, sometimes at short notice.

I acknowledge the contributions by the Rules Officials at all our event, many of which that were played in cold conditions.

Also thanks to my fellow committee members for their help and contributions throughout the year.

John Thompson

Convenor

Course Rating

Waimairi Beach, Templeton, Christchurch and McLeans Island were rated this year. With the new rules, courses had to be reassessed. This did not require a physical rating, but some alterations to the figures. In many cases, it did not change the rating. Thanks to Anthony Alberts and Chris Bond for their help over the past 12 months.

John Thompson

Convenor

9 Hole

The season commenced with the Canterbury Golf Women and Men's 9 Hole Tournament played at Lincoln Golf Club. The Women's Grade 1 was won by Marg Lloyd (Rakaia), Women's Grade 2 by Liz Powers (Kaiapoi) and the Men's Grade by Howard Thomas (Rangiora). The overall winner of the Canterbury Golf 9 Hole Trophy was Liz Powers.

The Champion's Trophy was played in conjunction with the Champion of Champions Tournament at Russley Golf Club with Rosemary Allan (Ellesmere) winning the Gross Stroke Trophy.

The Crystalp Jewellery Ringers Tournament was played at Hororata Golf Course with Jenny Bartley (Bottle Lake) winning the competition.

The Canterbury Golf Women and Men's Christmas Tournament played at Pegasus Golf Club attracted a good field of 63 players.

Interclub started the year with 15 teams competing in two divisions but unfortunately this was reduced to 14 teams with the withdrawal of a team due to player availability. It has been pleasing to see an increasing number of men playing interclub. McLean's Island hosted the final where Rangiora 2 defeated Amberley.

Thank you to the team captains and team members for making yourselves available for Interclub, and I ask you to continue to encourage 9 Hole players to participate in this competition and support the tournaments throughout the year.

Thank you to the clubs, who made their courses available, and the staff and members who willingly and ably hosted the competition.

Thank you to the Canterbury Golf staff and Women's Match Committee for their help and support over the past 12 months.

Claire Ballantyne
Convenor

Canterbury Metro

I am pleased to report that this year all of the interclub competitions administered by the Metro Committee were successfully executed.

A comprehensive review of our conditions of play was carried out following consultation with team managers, captains and players.

Total playing numbers in the competitions we are responsible for are up marginally compared to 5 years ago, however 2019 Metro entries for our premier grade, the Blank Cup, are down by more than 50% over the same period. This trend is significant and of concern. This is perhaps a reflection of the increasing average age of club memberships and the modern demands on the 20 to 40 years age group, outside of golf.

The 2019 Blank and Simon Interclub season has been shifted towards spring compared to 2018 in the expectation that this will increase interest and participation. It is probably a bit early to judge the effectiveness of this move. The 2019 interclub entries saw a decrease in Blank Cup teams with two clubs moving to Simon Cup.

My thanks to the members of the committee for their time, input and wise counsel, the competition convenors for their extra time commitment and to Mike Millward for his professional, timely and effective hard work in supporting us.

Noel Stewart
Convenor

Representative

The committee is continually involved in the oversight of our representative programme along with the regular review of our policies and processes.

The committee acknowledges the significant contribution of the volunteers who are appointed as selectors, managers and assistants. Their willing commitment to provide the necessary support is a vital component for a successful representative season. The skill and experience of these people enhance the ability of our teams to achieve quality results.

We are grateful to our sponsors for the considerable assistance they provide our representative teams, namely, Fenix for our men and Flexi Lease for the women.

The Women's Masters team of Kim Moggach, Kate Turner, Naomi Wallace and Suzette Eastmond took out the national title this year. The event held at Nelson Golf Club was a triumph for them and their manager, Debbie Scott.

The Senior Women's and Men's teams performed with credit at their respective NZ Toro Interprovincial events. The Women gaining second place at Waitikiri with the Men finishing third at Clearwater. We acknowledge the work these two clubs did which contributed to the overall success of those national events.

The Men's Masters team placed fifth at the NZ Freyberg. Competing in the South Island Masters Interprovincial held at Pegasus Golf Club, Canterbury performed with distinction sharing the title with Aorangi.

The Canterbury Boys team continued their top showing with a third place finish at the Interprovincial held at Cambridge Golf Club. The Girls in their Interprovincial held at Rotorua finished tied for fifth. Both being creditable achievements while gaining valuable experience to compete at this high level.

Of note is the selection of Juliana Hung and Kazuma Kobori to the New Zealand Golf National Academy. The following players were also selected to represent New Zealand, Amelia Garvey, Juliana Hung, Matt McLean, Kazuma Kobori and Peter Brinsdon.

The committee wishes to recognise and thank our Golf Development Manager, Rachel Thow for her competent professional approach to the daily operational oversight of the representative programme. Collectively we look forward to the future with confidence knowing our teams have the processes in place to compete well.

Max Walker
Convenor

Age Group

Firstly, on behalf of the Committee, I would like to say a huge thank you to Craig Vining and Paul Bryden who completed their involvement with the Age Group Committee during this year. Craig has chaired the committee for several years and both have provided significant and valuable contribution to junior golf over a number of years and were instrumental in the development of the Young People in Golf Development Plan.

During the year we welcomed Jayden Moore onto our committee and look forward to the insights and guidance we know he will provide.

The committee's focus during the year has remained on attracting and developing more young people into the game of golf through providing engaging programs and events and aligning with New Zealand Golf's Love Golf Futures strategy. These programs include delivery of a variety of programs into schools, Team Golf events, family events and delivery of after school and holiday programs.

A series of junior events and tournaments were also held during the year, including the introduction of 9-hole events held in conjunction with the 18-hole events. These 9-hole events are a new initiative aimed at providing competitive excitement for children that are learning the game and working towards earning their handicap.

Whilst the Junior Interclub competitions run by Canterbury Golf during the year had slightly reduced team numbers, they continue to be hotly contested and provide a good pathway to the next level of interclub competition for our juniors. Given the reduction in teams, the committee is looking at ways to grow the numbers participating and the 2019 Junior Foursomes competition will see the introduction of a 9-hole section for the first time. This development competition will provide an experience for young golfers that is age and stage appropriate based on their ability.

The Junior Interclub Matchplay final was played between Christchurch and Russley with Christchurch prevailing in a tight contest played in great spirit. Russley's Jack Collie remained undefeated during the round-robin section of the competition to win the coveted Maori Wahaika Trophy. The Junior Foursomes competition was won by Kaiapoi with Lincoln as runners up.

Other youth events held during the year included the Canterbury Age Group Championships, where 9 and 18-hole events were added to grow the number of young people engaged. Held at Waitikiri Golf Club, the U19 Boys Championship was won by Kazuma Kobori and the

U19 Girls Championship by Maddie May. The Canterbury Secondary Schools Championship was won by Burnside High School, with Christchurch Boys High School finishing as runners up. Both will represent Canterbury at the National Secondary Schools finals in September.

The South Island Age Group Interprovincial was held at Harewood Golf Club in April, with both the Canterbury U19 and U16 teams convincingly retaining their respective South Island titles. Earlier in the year the Canterbury Boys team achieved another top performance at the Boys Interprovincial played at Cambridge Golf Club, backing up from their victory last year. The team of Hiroki Miya, Ben Baker, Josh Roche, Zach May, Hayato Miya and Lachie Mackay performed strongly to finish third, losing only one game during the week to the eventual champions Wellington.

The Canterbury Girls team of Jana Beneke, Maddie May, Amy Weng, Jasmine Clancy, Deanna Matthews and Estelle Lin finished a creditable 5th= at their Interprovincial tournament in Rotorua. These events continue to provide valuable experience and development opportunities for our junior players.

Lastly, one of the most exciting development of the year was the launch of the Futures Canterbury Selwyn Hub in February 2019. The Selwyn Hub is a collective of seven golf clubs in and around the Selwyn region, with the main objective being to provide fun golf events and learning opportunities for young people and families.

Finally, a big thank you for the time, commitment and passion put into junior golf by my fellow committee members Pip Deans, Wayne Hallinan and Jayden Moore. Their contribution is much appreciated and highly valued.

INDEPENDENT AUDITOR'S REPORT

To the Members of Canterbury Golf Incorporated Report on the Financial Statements

Opinion

I have audited the Financial Statements of Canterbury Golf Incorporated which comprises the society information, the statement of service performance, statement of financial performance and statement of cash flows for the year ended 30 June 2019, statement of financial position as at 30 June 2019, fixed assets schedule and the notes to the Financial Statements.

In our opinion:

- the reported outcomes and outputs, and quantification of the outputs to the extent practicable, in the statement of service performance are suitable;
- the accompanying Financial Statements (containing the statements as specified in the opening paragraph) gives a true and fair view in accordance with Public Benefit Entity Simple Format Reporting – Accrual (Not-For-Profit) standards issued by the New Zealand Accounting Standards Board.

Basis for Opinion

The audit of the society information and statement of service performance were conducted in accordance with The International Standard on Assurance Engagements (New Zealand) ISAE (NZ) 3000 (Revised).

The audit of all other statements as listed in the opening paragraph was conducted in accordance with the International Standards on Auditing (New Zealand) (ISAs (NZ)).

Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of Canterbury Golf Incorporated in accordance with Professional and Ethical Standard 1 (Revised) Code of Ethics for Assurance Practitioners issued by the New Zealand Auditing and Assurance Standards Board, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

I believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other than in our capacity as auditor we have no relationship with, or interests in Canterbury Golf Incorporated

Responsibilities of the Executive Committee for the Financial Statements

The Executive Committee is responsible for:

- Identifying outcomes and outputs, and quantifying the outputs to the extent practicable, that are relevant, reliable, comparable and understandable, to report in the statement of service performance;
- the preparation and fair presentation of the Financial Statements on behalf of the entity which comprises
 - the society information and statement of service performance
 - the statement of financial performance, statement of financial position, statement of cash flows, fixed assets schedule and notes to the Financial Statements in accordance with Public Benefit Entity Simple Format Reporting – Accrual (Not-For-Profit) standards issued by the New Zealand Accounting Standards Board.
- Such internal controls as the Executive Committee determine is necessary to enable the preparation of the Financial Statements that is free from material misstatement, whether due to fraud or error.

03 365 1071
bevan@smithandjack.co.nz

PO Box 10379
Christchurch 8145

34 Birmingham Drive
Middleton, Christchurch 8024

smithandjack.co.nz

- d) In preparing the Financial Statements, the Executive Committee is responsible on behalf of Canterbury Golf Incorporated for assessing the entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Executive Committee either intend to liquidate or to cease operations, or have no realistic alternative but to do so.

Auditor Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Financial Statements are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (NZ) and ISAE (NZ) 3000 (Revised) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this Financial Statements.

As part of an audit in accordance with ISAs (NZ) and ISAE (NZ) 3000 (Revised), we exercise professional judgement and maintain professional scepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of the use of the going concern basis of accounting by the Executive committee and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on Canterbury Golf Incorporated's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause Canterbury Golf Incorporated to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Executive Committee regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Society Information

Purpose of Canterbury Golf

Canterbury Golf Incorporated was formed in 2007 after the amalgamation of the men's and women's provincial golf bodies. Originally, the Canterbury Provincial Golf Association Incorporated was formed in 1947. Its aim is to support affiliate golf clubs and provide amateur golf services in the region.

Canterbury Golf has a close working relationship with its parent body New Zealand Golf, and neighbouring districts Aorangi Golf and Tasman Golf.

Address

375 McLeans Island Road, Harewood, Christchurch

Honorary Solicitor

Ben Frampton, Saunders & Co.

Auditor

Bevan Smith, Christchurch

Registration Information

Incorporated Society Registration Date	8 October 1947
Incorporated Society Registration Number	219520
Charities Commission Registration Date	26 March 2010
Charities Commission Registration Number	CC43903

Executive Committee

Canterbury Golf is governed by an Executive Committee of volunteers who are all members of an affiliate golf club and have substantial business and golf experience.

President/Chairman	Steve Kilpatrick
Vice President/Vice Chairwoman	Kate Johnstone
Executive Committee Member	John Thompson
Executive Committee Member	Warren Houghton
Executive Committee Member	Max Walker
Executive Committee Member	Maryanne Marlow
Executive Committee Member	Peter MacDonald
Executive Committee Member	Pip Deans
Executive Committee Member	Kevin Hughes

Staff

Three full-time staff are employed to deliver golf services.

General Manager	Grant Lewis
Golf Development Manager	Rachel Thow
Golf Operations & Support	Mike Millward

As part of the Mainland Partnership Agreement, Canterbury Golf also employs two other full-time staff that work outside the region.

Aorangi Community Golf Manager (Timaru)	Malcolm Wood
Tasman Community Golf Manager (Nelson)	Chris Pugh

Main Sources of Canterbury Golf's Cash and Resources

Canterbury Golf's activities are funded by member levies, grants, sponsorship, donations, interest, and activities that attract a user-pays contribution.

Main Methods Used to Raise Funds

Each year affiliate clubs are levied based on the number of individual members they have. This accounts for about 47% of Canterbury Golf's income. Sponsorship and grants from various companies, trusts and agencies accounts for a further 39% of income.

Reliance on Volunteers and Donated Goods or Services

Canterbury Golf relies on gifts of volunteer time and expertise to complete work in many essential governance and operational roles. Under the Executive Committee it operates 13 sub-committees all manned by volunteers.

Statement of Service Performance

Description of Canterbury Golf's Outcomes

Based on its 2018-2021 Strategic Plan, Canterbury Golf delivered outcomes based on an Annual Management Plan that provided KPI's toward the achievement of the 2021 strategic goals.

These outcomes were centred around diversification of income, helping affiliate clubs to be sustainable, increasing participation in golf across all ages, promoting golf, improving golf administration and development across the mid and upper South Island, and improving the results of our representative teams. This is in addition to providing core administration services for interclub, tournaments, junior golf and club support.

Canterbury Golf has delivered services under budget for the financial year, assisted with supervising an extra golf development position in the region (NZ Golf Regional Support Manager), and management of two extra staff in Aorangi and Tasman districts (funded by Aorangi Golf and Tasman Golf). To its 37 member clubs it has delivered programmes and support to grow their participation, and continued with support for club sustainability. It ran a full calendar of tournaments and events, that included six junior tournaments, three Canterbury Championship tournaments, and 22 interclub competitions.

Achievement of these outcomes enables golf to improve its service and contribution to the well-being of the Canterbury community as a sport, pastime, and recreation.

Description of Canterbury Golf's Outputs

During the financial year ended 30 June 2019, the Society delivered the following:

Income Diversification

Canterbury Golf has a sub-committee that focuses on diversifying its income sources so that it can remain sustainable for the future delivery of golf services. Possible projects are currently being considered for implementation. This includes a proposal for tiered corporate sponsor packages.

Club Sustainability

Canterbury has worked with New Zealand Golf to supervise a Regional Support Manager for the region. It also partnered with Aorangi Golf and Tasman Golf to employ and manage a Community Golf Manager for each region. All three positions focus on supporting clubs with their business and sustainability.

Participation

In 2018 Canterbury Golf implemented its new Young People in Golf Development Plan that put in place medium-term strategic goals focusing on improving service to young people, increasing participation, and fostering talented young golfers. National initiatives such as "Team Golf", "Love Golf Futures" and the "She Loves Golf" campaigns were supported at a regional level.

In May 2019 Canterbury Golf facilitated a Club Golf Forum at Clearwater Golf Club that was attended by 80 people including volunteer leaders from 28 golf clubs, and industry leaders from throughout New Zealand. Discussion focussed on current issues in golf, and sharing best practice about golf management. A survey received 100% approval to hold a similar forum again.

In February 2019 Canterbury Golf launched "Futures Canterbury" – an initiative to recruit and retain young people in golf. A Hub of seven clubs was formed for the southern and western parts of the region and at balance date has 58 child and 23 adult members. Similar Hubs are being scoped for city clubs and the North Canterbury Region.

Promotion

In 2018 Canterbury Golf completed its Communications Plan – the goal to proactively communicate with stakeholders, and provide consistent messaging when promoting Canterbury Golf. Set objectives and KPI's are currently being implemented.

Golf Administration

Canterbury Golf has been driving an initiative called the Mainland Partnership which formed a working relationship with neighbouring districts Aorangi and Tasman. This has resulted in Canterbury Golf providing administrative services for Aorangi Golf and Tasman Golf. Part of the partnership is also the shared provision of golf development services across the three regions. The Mainland Partnership employs a full-time golf development position in each of the three districts. The three year agreement to 30 June 2019 is currently being reviewed by all parties involved.

Representative Golf

Canterbury Golf provides Canterbury representative teams, and a supporting high performance and development programme. Through regular reviews, continual improvements are sought to increase the likelihood of success on the national stage. This year Canterbury was the best District in New Zealand, with their representative teams the best overall in the four national tournaments provided and attended. The Men's Senior Team placed third, the Women's Senior Team placed second, the Women's Master's Team placed first, and the Men's Master's Team placed fifth at their national tournaments.

Individually, five Canterbury players represented New Zealand. Amelia Garvey at the Espirito Santo Trophy, Juliana Hung at the Queen Sirikit Cup and Youth Olympics, Matt McLean at the Asia Pacific Championship, Kazuma Kobori at the APGC Junior Championship and Peter Brinsdon at the Asia Pacific Senior Amateur. Juliana also won the Canterbury Young Sportswoman of the Year Award, and Kazuma won the New Zealand PGA Championship as an amateur against professional golfers from throughout Australasia.

Core Service Provision

Canterbury Golf continues to provide core administration services for interclub, tournaments, junior golf and club support, and through review, find ways of improving this service.

Financial Statement Notes

Statement of Accounting Policies

Measurement Base

The accounting principles recognised as appropriate for the measurement and reporting of earnings and financial position on an accrual basis are followed by the organisation.

The financial statements are prepared on the assumption that Canterbury Golf Inc. is a going concern.

The financial statements have been prepared in accordance with PBE SFR-A (NFP) Public Benefit Entity Simple Format Reporting which Canterbury Golf Inc. is eligible to apply.

Specific Accounting Policies

The following specific accounting policies which materially affect the measurement of profit and financial position have been applied:

Grants and Donations

Donations are treated as income upon receipt. Grants received conditional on expenditure for specific purposes are treated as liabilities until spent. Upon expenditure on the intended purposes grants are recognised as income.

Depreciation

Depreciation has been calculated using rates applicable to write assets off over their expected useful lives.

Goods & Services Tax

The financial statements have been prepared on a GST exclusive basis.

Fixed Assets

Fixed Assets are recorded at cost or revaluation less accumulated depreciation.

Revaluation of Assets

Land and buildings were last revalued based on the Christchurch City Council Valuation Notice of 1 August 2016.

Income Tax

The organisation promotes amateur sports and has a general exemption from taxation (s.CW 39).

Liabilities

Liabilities are stated at the estimated amounts payable and include obligations which can be reliably estimated.

Grants Received In Advance

At balance date the following grants and sponsorship were deemed to apply to the following financial year:

The Rata Foundation \$12,500

New Zealand Community Trust \$35,000

New Zealand Golf – Sir Bob Charles Fund \$2,250

Selwyn District Council \$3,950

Income in Advance

At balance date levies of \$105,070 invoiced prior to 30 June were carried forward to the next financial year.

Statement of Contingencies

Contingent liabilities at 30 June 2019 were nil.

Changes in Accounting Policies

There have been no changes in accounting policies.

Nature of Business

Canterbury Golf Incorporated is an association to foster, promote and control the game of golf as played and enjoyed by both men and women of all playing levels and all ages in the Association's district.

Vehicle Lease Commitment

At balance date Canterbury Golf leased two vehicles from VFL Flexi Lease and the outstanding commitment under the lease agreements for the two vehicles totalled \$30,988.

Related Party

A company associated with Pip Deans (Executive Committee Member) has been contracted to provide services as Play Golf Canterbury Coordinator at market rates.

Notes to Accounts

Note 1

Funds on deposit	\$344,591
Kiwibank deposit 3.2% maturing 2 December 2019	\$98,224
Heartland Bank - On Call 2.15%	\$220,989

Note 2

Mainland Partnership Account
As part of an agreement with New Zealand Golf, Aorangi Golf, and Tasman Golf, Canterbury Golf manages club capability and golf development services across the geographical area of the Mainland Region, that is, the districts of Canterbury, Aorangi and Tasman. This agreement is known as the Mainland Partnership. The four parties had a three year agreement (ending 30 June 2019) to implement, manage and finance four employment positions that will deliver club capability and golf development services.

Canterbury Golf manages the financial arrangements of the partnership. All Mainland Partnership accounts are kept separate from Canterbury Golf’s finances. During the financial year income and expenses were:

Income	\$	Expenditure	\$
Aorangi Golf Grants	47,500	Aorangi CGM Costs	71,315
Tasman Golf Grants	47,500	Tasman CGM Costs	73,148
Canterbury Golf Grant	22,500		
NZ Golf Grants	26,963		
Total Income	144,463	Total Expenditure	144,463

Canterbury Golf agreed to provide funding of \$22,500 per year to the Mainland Partnership for the second and third financial years as part of the three year agreement that ended on 30 June 2019. Canterbury Golf will provide no further funding support should the partnership continue.

Note 3

Canterbury Golf Tourism Limited
Canterbury Golf is a 10% shareholder in this company formed to promote golf in the Canterbury region. Paid-up capital at balance date is \$1,200.

Note 4

Movement in Accumulated Funds
