Measuring Our Progress

Canterbury Golf has six key strategic drivers for 2018-2021 to support the golf clubs in Canterbury and the development and future of the amateur game. The following outcomes have been achieved over the past 12 months.

Participation	<p>Futures Canterbury North-East Hub launched for young people & families.</p> <p>Over 400 participants attracted to “Have a Go” community based taster events.</p> <p>Over 80 women participated in the She Loves Golf 6’s Series.</p>
Talent Development	<p>Canterbury Golf’s talent development is aligned and supported by NZ Golf.</p> <p>Two Canterbury Golf Development days delivered with the support of NZ Golf service providers.</p> <p>Six Canterbury players selected for NZ Golf representative teams and travelling squads.</p>
Profile & Perception	<p>14 golf clubs visited by Canterbury Golf prior to COVID-19.</p> <p>14% increase in Canterbury Golf website unique users.</p> <p>30% increase in Canterbury Golf social media followers.</p> <p>Futures Canterbury Facebook event posts have reached over 45.3K people helping to raise the profile of golf in the community.</p>

Communication	<p>Communication initiatives implemented.</p> <p>Monthly Canterbury Golf email newsletter opened by over 66% of subscribers.</p> <p>Futures Canterbury hub members communicated with weekly.</p> <p>2.1K unique users have visited the Futures Canterbury website, with 15.5K page views.</p>
Club Sustainability	<p>3.57% increase in club membership.</p> <p>Weekly Zoom meetings held through March and April with high participation from clubs and increase in follow-on club engagement.</p> <p>Continued partnership with NZ Golf Regional Support Manager.</p>
Income	<p>Completion of tiered sponsorship packages and engagement programme implemented.</p> <p>Friends of Canterbury Golf fundraising initiative developed and ready to be launched.</p>

President's Report

It is with pleasure and pride, mixed with a tinge of sadness, that I submit this, my third and final report as President of Canterbury Golf.

During the year, the golfing community sadly lost some passionate supporters who had dedicated many years of voluntary service for the enjoyment of others and the betterment of our sport -

Ernie Poole - Life Member of Russley GC will always be remembered for his vast knowledge of rules and his analytic statistical skills.

Alan Brown - past President of Canterbury Golf, past President of Windsor GC, past President of the Eagles Golfing Society.

Peggy Garnett - past Treasurer of the Canterbury Women's Golf Association for 25 years and a long-time member of Russley GC.

Brian O'Malley - member of Christchurch GC and Eagles Golfing Society. Canterbury Provincial Golf Association secretary 1974-86. The B. O'Malley Salver is awarded to the player(s) with the best round-robin record in Blank Cup.

It has been yet another very busy year for Canterbury Golf, with some unprecedented challenges. The "elephant in the room" being COVID-19 which took us all into uncharted territory, including the Government, NZ Golf, Canterbury Golf, golf clubs, our families, and our own individual lives. There was no escaping it and the impact it was having on us all at many different levels.

Significant milestones were reached by two of our clubs. Congratulations to current and past members of McLeans Island GC who celebrated their Golden Jubilee and to Avondale GC who celebrated their Centennial.

Last year, I reported on the launch of the Selwyn Hub which provides opportunities for young people and families to enjoy golf. Since being launched, the Selwyn Hub has grown to include 124 members (83 juniors and 41 parents) which is an outstanding success. On the back of this success, we launched the North-East Hub which includes Bottle Lake, Christchurch, Rangiora and Waimairi Beach Golf Clubs. Launched at a very special event with the support of Sir Bob Charles at Waimairi Beach GC on 2nd February 2020, it has already grown to 78 members (58 juniors and 20 adults). I would like to acknowledge all the work and effort put in by the team to achieve this success - Richard Hudson (NZ Golf Regional Support Manager), Rachel Thow (CGI Golf Development Manager), Pip Deans (Selwyn Hub Events Coordinator), Kevin Hughes (Coach) and James Robinson (North-East Hub Events Coordinator). Tell your friends, full details are available at www.futurescanterbury.co.nz or call Rachel on 359 4147.

I would also like to acknowledge the kind and generous support of our long-standing sponsor - Lamb & Hayward. Without their support, none of this would be possible.

COVID-19

With very little notice of the full lockdown being imposed in March, golf clubs had to scramble to prepare their courses for a prolonged period without maintenance. The greens in particular being most vulnerable to damage without maintenance. As the whole country learnt what Alert Level 4 actually meant, many people also learnt to use a software

program called "Zoom" which allowed remote collaboration amongst groups of people. Each Thursday during lockdown, NZ Golf hosted a Zoom meeting for all District Associations throughout New Zealand to attend. Grant Lewis (CGI General Manager) and I attended each meeting, to get an update from NZ Golf about matters such as -

- Lobbying Government to allow emergency maintenance to greens
- The likelihood of no further funding being available from gaming trusts
- Applying for the various Government funds including wage subsidies and Sport NZ Funding
- Events being cancelled

Ultimately, the Government did allow emergency maintenance to courses, but with strict conditions applied and only after strong lobbying by NZ Golf, Districts, clubs and individuals, with good coverage and support being provided by the media.

Following each NZ Golf Zoom meeting, Grant and I hosted our own zoom meeting each Friday, where we would update Canterbury clubs on the latest situation and to hear how they were faring during lockdown. These were strongly supported with most clubs being represented and often over 30 participants taking part, sharing ideas, problems and solutions.

The meetings proved invaluable as a tool to discuss the transition from each Alert Level to the next and understanding the various conditions that had to be followed. They gave clubs the opportunity to ask questions specific to their own situation, making sure everyone was doing the right thing. It was important to ensure the Government had no reason to withdraw playing rights.

As play started to be allowed, Canterbury Golf compiled a list of courses that were open, along with any restrictions, so that club members and the public could easily see what was available via the the Canterbury Golf website.

I would like to acknowledge the exemplary leadership shown by NZ Golf CEO, Dean Murphy throughout the whole process. His calm, common sense, "do the right thing" approach, was very much appreciated during a time of such uncertainty.

Canterbury Golf also received very favourable feedback for the communications, advice and leadership being shown, through a very difficult time for everyone. The zoom meetings are something that we are looking at continuing albeit less frequently.

Despite the massive disruption caused by COVID-19, many positive golfing outcomes were still achieved including a significant increase in club membership across Canterbury up 3.57% compared to same time last year.

With many players unable to leave the country to winter over in warmer climes, our courses are exceptionally busy with rounds played up 38.8% for the first two weeks of June compared to the same period last year. When the

country moved from Alert Level 3 to Alert Level 2 on 14th May, 3,000 score cards had been printed by 9:00am that day.

Despite COVID-19, many other golfing accomplishments were achieved which are covered in more detail, later in this report.

Governance

Balancing the Books

Producing a balanced budget was never more challenging than this year, knowing our traditional funders were being so adversely affected by COVID-19. Thankfully, the Government has stepped in to help sporting organisations and community groups with emergency funding which was certainly welcomed. The long term situation remains unclear, but we have agreed upon a balanced budget which involved reducing some of the cost subsidies we would normally provide to some events and in some cases, may involve cutting some events entirely, should the funding not be available.

Canterbury Golf proudly stands out nationally with the growth programmes we provide (Eg Futures Hubs, She Loves Golf, Snag Golf) and our player development programmes (Eg Development Academy, CGI Tour). Golf in other provinces has suffered because they do not resource these areas and we are determined not to fall into the same decline as they have.

To help with our funding, a new initiative "Friends of Canterbury Golf" is being launched which will allow individuals to play a part in supporting the development of golf in Canterbury. More details will be available after the formal unveiling of the programme.

Executive Committee

At the 2019 Annual General Meeting, we said farewell to two very experienced and long-standing members of the Executive Committee - Maryanne Marlow and Max Walker. Maryanne served on the Executive Committee since it was formed in 2011 until her retirement at the 2019 AGM. Max started on the Management Committee in 2006 and became President when the Executive Committee was formed in 2011. A position he held for 4 years until 2015, remaining on the Exec until his retirement at the 2019 AGM. I would like to acknowledge and thank Maryanne and Max for all their hard work and the valuable contribution they made to Canterbury Golf.

We welcomed two new members to the Executive - Michael Rondel and Peter Brinsdon. Both bring strong experience, diversity and energy to Canterbury Golf - Mike is a former Chair of Harewood GC and is a partner at accountancy firm BDO where he leads their audit division. Peter is deeply involved with the golf industry, having worked as General Manager of Wellington Golf and currently working for a major national golf retailer.

Volunteers

Volunteers are the lifeblood of amateur sport and golf is no exception. It is humbling to see volunteers helping with tournaments and events at club and regional levels. We are very fortunate to have such passionate supporters of our sport here in Canterbury whether it's as a rules official, a caddy, a committee member, the list goes on and on, but I want to recognise those who gladly give of their time for the benefit of others.

I want to make special mention of our friends at the Eagles Golfing Society. I had the privilege of speaking at the opening of their National Convention in February, hosted by the Canterbury Eagles Society and attended by some 320 members from throughout New Zealand. Their contribution to golf, past and present is incredibly important, especially regarding junior golf. You may recognise some past winners of their "Golfer of the Year" awards - Stuart Jones, Bob Charles, Michael Campbell, Craig Perks, Danny Lee, Lydia Ko and more recently, Amelia Garvey and Daniel Hillier. This year, both categories of the Eagles National Championship were won by Canterbury players with Hayato Miya winning the boys competition with a massive 11 shot margin and Amy Weng winning the girls section.

The Eagles support of the Halberg Foundation must also be acknowledged. Over the years, they have raised \$5 million nationally, to support this organisation whose mission is to enhance the lives of physically disabled New Zealanders by enabling them to participate in sport and recreation.

Staff & Sub Committees

When I look around the country at other Districts, I quickly learned to appreciate how fortunate we are to have the staff required to develop golf in Canterbury. While other Districts have cancelled golf development programmes and struggle to field interprovincial teams, Canterbury Golf offer far more towards growing and developing our sport than most other districts, which we can all be very proud of. This comes from lots of hard work by a very small team and I would like to acknowledge the efforts of Grant, Rachel and Mike to achieve so much with limited resources.

I would also like to specifically acknowledge Grant's leadership throughout the lockdown period. His close relationship with the clubs was very evident during our weekly zoom calls and I think everyone got a degree of comfort

knowing he was there for them.

To all the sub-committee Chairs and members - thank you for all you do to make sure everything runs smoothly in your areas. Your work is very much appreciated.

To my fellow Executive Committee members - thank you all for your support over the past three years as President and the four years prior to that. I feel confident in leaving the Executive in good hands with good, diverse skills sets and opinions which is always important on any Board/Committee. It has been a real pleasure working with you all and I wish you well for the future.

With my formal involvement with Canterbury Golf coming to an end at our AGM in September, as I reflect back, I think my involvement with Canterbury Golf started in 2008 as a selector for our junior golf teams. Since then, I have had the absolute privilege of meeting and working alongside some outstanding people, from all walks of life, all with the common interest of building and developing golf in Canterbury. It has been a wonderful journey.

Steve Kilpatrick
President

General Manager’s Report

It is with pleasure that I present this General Manager’s Report for what has been a tumultuous and challenging year for Canterbury Golf and our clubs.

COVID-19 was a shock for us all, but coming out the other side I can’t help but admire the way golf has responded to the pandemic and prospered. Led from the top down (New Zealand Golf), we have all played our part with common sense, timely communication, informed decision-making and team work. This has shown golf to be a role-model for other sports and I am sure it has played some part in the increase in membership and casual play.

On this note, it is key that clubs make sure they maximise this opportunity by retaining members and casual players through provision of quality experiences on and off the golf course. I would like to acknowledge NZ Golf CEO Dean Murphy for his leadership, and Canterbury Golf President Steve Kilpatrick as we worked our way through the lockdown and up the various levels. The pandemic, primarily through regular Zoom meetings, enabled Canterbury Golf to get closer to key club leaders, and demonstrate our value as a parent body.

As with most golf clubs, COVID-19 has provided its fair of financial challenges for Canterbury Golf, particularly through loss of sponsorship and Gaming Trust income. We have reported a profit for the 2019/2020 financial year mainly on the back of receiving government subsidies just prior to year end, however the budget for 2020/2021 has been challenging. The Executive took a two year approach to the budget cycle carrying forward the 2019/2020 surplus to help alleviate a potentially large budget deficit. This was a partial solution and some programmes have had to be cut and tagged to reduce the deficit to an acceptable level.

The sponsorship dollar has been challenged by COVID-19, and we are thankful that Stephen Parkyn and his team at Lamb & Hayward, and Garry Donnithorne and his team at VFL Flexi Lease have stuck by us in our hour of need. We thank Saunders Robinson Brown, and Hellers for their support over many years - this has meant a lot. Also thanks to Golf Warehouse, Riccarton Park Golf Complex, E-Mega Store, Rainbow Print, and Elmwood Trading Co. for their continued support.

The Mainland Partnership came to an untimely end, the catalyst being lack of ongoing funding. I believe the model was sound and working but funding it has always been an issue. With many of New Zealand’s smaller Districts struggling to provide a service to their stakeholders it will be interesting to see what solutions New Zealand Golf’s District Review has to offer.

The Futures Canterbury Hub programme has been a shining light in the last 12 months. Rachel Thow and Richard Hudson, with the support of Pip Deans and Kevin Hughes have shown dedication and tenacity to ensure its success. James Robinson has now come on board with the North East Hub and we are seeing good growth of membership in both. The participating clubs are to be applauded, and hopefully the demonstrated success will see more clubs join.

Constant turnover in club management and leadership is a worry and waste for our golf clubs. It is human nature that there will be personality conflicts and often this is

the cause of people moving on. However a lot of this can be avoided with clear and agreed expectations about governance versus operations, and having key planning documents in place – strategic plan, annual management plan, and an annual budget. I hope we can see more stability in this area in the coming year.

The major Canterbury Championships underwent some changes before and after the COVID-19 lockdown. The Canterbury Match Play was moved from a congested Labour Weekend to a month after the Canterbury Stroke Play and was held the first weekend in March. To encourage participation in both tournaments the stroke play results were used as qualifying for the match play draw. This proved popular with capacity fields for both events. The addition of a Seniors over 55 bracket for the matchplay was also well received. Thanks to Lamb & Hayward and E-Mega Store for sponsoring the tournaments.

After we came out of lockdown the first major Canterbury tournament for the new season was the Canterbury 4BBB Championship. Our top golfers were itching to compete resulting in the highest quality field for many years and 30 pairs balloted out. Scoring on a well groomed Waimairi Beach layout was spectacular with Matt McLean and Momoka Kobori shooting 63’s, and Amelia Garvey 64. Having our US scholar players “trapped” in Christchurch because of COVID-19 has certainly been great for local golf and we are hopeful some of them will still be here for the NZ Interregionals at the end of the year.

Thank you to the team of staff and key volunteer leaders at Canterbury Golf – you make my job easier and we are lucky to have you. I particularly want to thank Steve Kilpatrick who finishes up his term as President, and ends seven years on the Executive and 12 years as a volunteer in many roles with Canterbury Golf. Steve is a professional volunteer in our sport – he will be missed.

All the best for the coming year, as the pandemic will continue to challenge us and our ability to support our clubs and members.

Grant Lewis

Staff Reports

Golf Development Manager

Golf participation numbers have grown over the past 12 months and it's been exciting to see the increase in young people and families getting into golf in the Canterbury region. This was highlighted at the recent junior tournaments that saw over 60 juniors participating at each event, the highest numbers recorded in over 10 years.

It's always rewarding to work with players in Canterbury, supporting them to reach their level of aspiration as well as with the various age group, senior and masters representative teams.

Young People & Families

The Selwyn Hub has continued to go from strength to strength with a 51% increase in memberships. Our focus with the hub is to provide quality experiences to grow participation and enjoyment. With over 90% of the Selwyn Hub junior members actively engaged, we are likely to see these participants continuing to play golf in the future.

The success of the Selwyn Hub would not be possible without the support and participation of the seven clubs Charteris Bay, Ellesmere, Greendale, Hororata, Lincoln, McLeans Island and Tai Tapu Golf Clubs.

There is also a team working in behind the scene to make this collaborative approach so successful and I would like to acknowledge the work that Pip Deans does as the Delivery Coordinator and Kevin Hughes who leads the professional coaching. We are very fortunate to have such passionate and dedicated people to deliver these outcomes.

Based on the success of the Selwyn Hub, the North-East Hub was established with four clubs coming on board to help grow participation in Christchurch and North Canterbury. In February the North-East Hub was launched with Bottle Lake, Christchurch, Rangiora and Waimairi Beach Golf Clubs providing a range of learning and playing experiences.

Sir Bob Charles was the special guest for the launch of the North-East Hub. The event, which was held at Waimairi Beach Golf Club, attracted over 100 people. As part of the event Sir Bob played an exhibition hole alongside two North-East Hub members and Delivery Coordinator James Robinson.

Canterbury Golf has taken on a leadership role providing the support and resources necessary to deliver a quality programme that not only retains young people in golf but also attracts new participants by raising the profile of golf in Canterbury. Each of the participating clubs plays a vital role engaging with these members while providing participation opportunities, coaching experiences and events at their club.

An illustration of the ongoing efforts by clubs in the region is rounds played data for junior golfers under 19 which was trending upwards prior to the COVID-19 lockdown with a 10.3% increase. Since lockdown this trend has accelerated with a 26.8% rise and we are seeing further gains as the appetite for golf continues to grow.

I would like to acknowledge the contribution that Richard

Hudson from NZ Golf has made to both the Selwyn Hub and North-East Hub. Richard has been an integral part of the team that has helped not only engaged with the clubs but also helped to shape engaging experiences for young people and families to be involved in.

I am also grateful for the support and resources we have received from NZ Golf. It's exciting to see the profile of the Futures brand developing with an increased focus on growing participation in this key area.

Player Development

Canterbury Golf continues to invest in player development through the valued contributions from Saunders Robinson Brown and Hellers. Support is provided to Canterbury players through development funds to assist them to work with service providers like golf professionals, mental skills and physical conditioning coaches and support to compete at tournaments around New Zealand.

Canterbury Golf is fortunate to have the continued support of New Zealand Golf's Performance Coach Jay Carter who has lead the delivery of our Canterbury Golf development days with our regional service providers. The continued support from NZ Golf has also been vital in assisting us to provide a complete development framework.

I would like to acknowledge the Canterbury players that have represented New Zealand, Amelia Garvey, Matt McLean, Kazuma Kobori and Peter Brinsdon. Kazuma was also reselected for the NZ Golf National Academy.

Congratulations to Juliana Hung who turned professional and is currently playing on the Taiwan LPGA Tour. It's been amazing to see Juliana progress as a player and I wish her all the best for her career.

Golf has been at the forefront of both the Canterbury Young Sportsman and Sportswoman awards. This year Kazuma Kobori was recognised by winning this prestigious award. It's been a remarkable achievement for Kazuma along with Amelia Garvey and Juliana Hung to have won these awards, helping to raise the profile of golf in Canterbury.

Representative

The highlight of the year was the Canterbury Men's Masters team that finished runners up at the NZ Freyberg tournament. I was fortunate to spend a day watching the event at the Timaru Golf Club. The team performed exceptionally well to finish undefeated.

The Canterbury Women's Masters Team were unable to defend their title due to the event being cancelled.

The Canterbury Women's and Men's Teams both performed well finishing in 6th position, while the Canterbury U19 Boys Team finished 4th at the Boys Interprovincial with the Canterbury U19 Girls finishing in 5th place.

I am very grateful for the experienced selectors and managers involved in our representative programme. Their continued support and dedication is appreciated.

Rachel Thow
Golf Development Manager

Golf Operations & Support

Well, it's been a year like no other. Late June, early July was officially the gloomiest month in Canterbury in two decades, however this fades into insignificance considering the country was in COVID-19 lockdown from mid-March to mid-May.

Fortunately for the golfing fraternity, we came out of sporting lockdown much quicker than other sporting codes, albeit with strict health and social distancing conditions.

Clubs and administrators coped amazingly well with the wave of demand on courses together with the food and beverage restrictions that followed.

All Women's and 9 Hole Mixed interclub were cancelled after obtaining feedback from clubs and competitors. Men's Metro A & B Semi-Finals, Metro Presidents Grade and Men's Canterbury Central Interclub were all delayed by two months.

Canterbury Clubs, Canterbury Golf and New Zealand Golf were all forced to cancel or postpone their events and tournaments during this unprecedented period, however since returning to some normality under COVID-19 Level 1, there has been a resurgence in club membership numbers and rounds of golf played in most regions and in particular Canterbury.

During all of this the World Handicap System was introduced in April and implemented very seamlessly with minimal impact on clubs and players.

Woodward, Blank, Simon and Pollock Cups all started a month later last year in order to achieve better playing conditions, and this initiative was well received by all involved.

We are considerably fortunate to have passionate, knowledgeable men and women involved in the administration of Canterbury Golf and while there are too many to mention individually, they are spread equally throughout Canterbury Men's and Women's Sub Committees. They are an integral part of why our district is held in such high regard nationally and our organisation, events and interclub run so efficiently and professionally under their leadership.

My sincere thanks to our volunteers, rules officials and convenors who assist us with annual events and interclub during the year, your time and expertise are greatly appreciated.

Our Captains Day Tournament at Avondale in February was a great success and enjoyed by everyone with twenty-one clubs represented. Richard, Maggie and the staff were great hosts ensuring the day ran smoothly and everyone was well looked after.

Next year's event is at Greendale so mark it in your social Calendar now on Friday 12 February and I look forward to seeing all the Canterbury Men and Women Club Captains there.

Remember, if you're thinking about having that round of golf with a friend, don't put it off for another day ... do it now, we need to learn from experience.

Mike Millward
Golf Operation & Support

Regional Support Manager

Golf is integral to the social fabric of communities around the country and in recent months the importance of our game to so many is more evident with an increased profile for golf as a recreational activity for all ages. The strong growth in activity the golf sector is experiencing coming out of the COVID-19 lockdown continues the positive participation trends from 2019. The challenges presented by recent events have highlighted the opportunity for stakeholders across the golf sector to stay better connected and to work positively together to develop the game.

Love Golf Futures has continued to grow across the country with more clubs becoming involved and an increased number of young people playing golf. For the first time in 10 years national junior membership numbers and rounds played by young people have risen substantially. As at the end of 2019, junior membership had increased 13% and rounds played up by 12% with this upswing continuing into 2020.

The growing number of young people and parents being introduced to golf and actively participating in the game in this region through the Futures Canterbury Hubs and club junior programmes is testament to the ongoing efforts of Canterbury Golf, golf clubs and the many dedicated people involved.

Our fifth year of the She Loves Golf campaign provided clubs with the opportunity to attract and engage more women and girls in golf. A number of clubs around Canterbury were involved in the delivery of two She Loves Golf 6's series which aimed to provide a regular fast and fun playing experience for women who were new to golf or returning to golf after time away from the game. With over 80 women participating in She Loves Golf 6's, it highlights the opportunity for golf to provide innovative formats that appeal to a new audience of potential golfers.

Through funding support from the Halberg Foundation and Sport New Zealand, New Zealand Golf has worked with two Canterbury Golf clubs on the delivery of the Love Golf All Abilities programme giving young people with a disability the opportunity to learn and play golf. PGA Professional Carl Brooking and Volunteer Coach Robert Newton at Harewood Golf Club led an inspiring All Abilities programme in 2019 with seven young people, aged 7 to 15 years old, along with their siblings and friends taking part.

As the young golfers in the All Abilities programme became more confident in their ability, it was encouraging that they were exploring opportunities to play mini-golf and visit the local driving range with family. The programme moved to Russley Golf Club in 2020 with PGA Professional Jess Reid loving the opportunity to lead the delivery of All Abilities this year.

I would like to thank the Canterbury Golf Staff and Executive for their ongoing support in my role and I appreciate the opportunity to work with a dedicated team that is growing and supporting golf in the Canterbury region.

Richard Hudson
NZ Golf Regional Support Manager

Sub Committee Reports

Canterbury North

Golf in North Canterbury continues to be strong and post the lockdown numbers of members appear to be on the increase. The courses’ playability are a credit to the green staff and volunteers who work hard in sometimes trying circumstances.

Interclub

COVID-19 was an issue with regard to interclub with some clubs not re-entering the fray after lockdown. The number of teams initially playing in the Templeton Cup increased in 2020 but the numbers in Kaikoura Cup continue to be an issue. Kaikoura entered teams in the Kaikoura and Templeton Cups by invitation again this year.

Results

Kaikoura Cup - Amberley
Gardner Trophy - Rangiora
Templeton Cup - Rangiora Red

At the time of writing the inter association interclub matches had not yet taken place owing to the extended nature of the season.

We are as always grateful to all the clubs that make their courses available for interclub competitions and I would like to once again give my personal thanks to Mike Millward for his assistance in helping things run smoothly.

Representative

The only North Canterbury representative fixture that took place this year owing to COVID-19 was the match against Marlborough which resulted in a win to North Canterbury in the Seniors, and a win to Marlborough in the Intermediates.

In closing I would like to thank my committee for their help over the past 12 months and in particular Jason Sincock for the work he has done in ensuring the representative fixture went ahead.

Thanks also to the team at Canterbury Golf for their help during the year.

We look forward to the 2020/21 year being smoother sailing!

Terry Waghorn
Convenor

Canterbury Central

Barry Harkerss after many years of representing Central as the Chairperson stepped down as well as our Secretary Joanne Harkerss. Both had been valuable assets in keeping Central strong and keeping clubs informed with Canterbury Golf activities. I took over the role as Chairperson with Barry Grant stepping in as Secretary.

July saw the completion of the 2019 Central Interclub fixture comprising Shield, Brownie Cup and Pattersons Cup.

The Annual Cresswell Cup was played between Metro B and Patterson Cup Winners at Hororata with Central

coming out on top. It had then been identified that the trophies’ being played for were incorrect over the years and going forward that Metro B and Patterson Cup Winners will play for the Toby Richards Trophy as originally intended. Canterbury Golf will make the required amendments to these two trophies.

Representative

Town v Country was played at Hororata in September with Town winning all sections.

The following Central Canterbury players were selected to represent Canterbury.

- Canterbury v Aorangi
Deanna Matthews, Ben Burgess, Jonathan Stieller, Anton Fouchée.
- Girls & Boys Interprovincial
Deanna Matthews, Ben Burgess
- South Island Men’s Masters Interprovincial
Jonathan Stieller, Anton Fouchée
- Canterbury Women’s South Island Interprovincial
Deanna Matthews
- NZ Men’s Freyberg
Jonathan Stieller, Anton Fouchée

Deanna Matthews also won the Canterbury Golf U16 Girls Order of Merit.

Interclub

Well done to Hororata on their first season of Woodward Cup and also to Weedons with both clubs representing Central admirably and being highly competitive throughout the competition.

Another Canterbury Central Masters was also successfully completed.

Arthur Chambers Memorial trophy was held at Burnham with 40 juniors in competing.

Central Canterbury Interclub started in March and due to COVID-19 Central Interclub was suspended. After consultation with clubs and a central meeting with all club delegates, the opinion of all clubs was to complete the Shield, Brownie and Patterson competitions. With dates and venues finalised, Mike Millward completed the revised draw to be able to complete the competition. This saw the final rounds of Shield, Brownie along with the final of Patterson Cup being held at Ellesmere in June.

Central matches against Buller Westland and North Canterbury were unfortunately cancelled due to revised Central and North schedules.

Good luck to Hororata and Weedons in the 2020 Woodward Cup and also teams in the Central Masters.

A big thank you to all of the clubs and delegates, for their assistance and guidance over my first year in the position. Mike Millward and Canterbury Golf for their help along the way with various issues.

Congratulations to all the winning teams and players that competed in the Central competitions and looking forward to another strong season ahead for Central clubs.

Wayne Hallinan
Convenor

Women’s Events

The 2019-20 Canterbury women’s calendar was planned to be full as usual with interclub, national-based competitions, club and Canterbury Golf tournaments. While the programmed events were successfully completed in the second half of 2019, the COVID-19 pandemic impacted on our golf activities at a local and national level from March 2020 onwards.

In 2019 two of our Canterbury women performed with distinction in the National Women’s Home Links Competitions, Carolyn Rickard from Harewood won the Coronation Medal with -7.8 under NZCR, and Isy McLaughlan from Hororata took out the Aotearoa Cup and second place in the Veterans Cup with -13.8 under NZCR.

2020 interclub commenced with a high level of entries in all competitions – 36 hole Silver and Open, Weekend, 9 hole men and women, Canterbury North and 18 hole midweek. An additional 18 hole (4 person) competition was successfully introduced to complement the existing 6 person event. This addition recognised a need for change to accommodate differing levels of club membership and player availability in the metropolitan and country areas.

Similarly, consideration is being given to the formats for the 36 hole and Pollock Cup competitions.

Sadly, after COVID-19 lockdown restrictions were relaxed, the decision was made to cancel all remaining interclub (except Pollock Cup) because a significant number of team withdrawals compromised the remaining rounds and whole competitions.

The complexities of defining “Full Playing Rights” when applied to widely varying current club membership categories was raised with Canterbury Golf in 2019. In the interests of providing full interclub playing opportunity within differing membership categories, the Women’s Committee has introduced a more flexible eligibility condition for women’s and 9 hole mixed interclub.

Thanks are due to the Women’s Match Committee for organising events and competitions and dealing with the special challenges of this year. Special thanks are extended to Jan Latham who is not standing for re-election this year. To our Canterbury Golf staff, Grant, Rachel and Mike, we record our appreciation of their outstanding efforts on behalf of our golfing community during and following the COVID-19 lockdown.

Pam Ellis
Convenor

Men’s Events

Over the last year competitions and tournaments under the control of Canterbury Golf have run smoothly gaining in quality and uniformity. The Canterbury Stroke Championship, Canterbury 4BBB Championship and Canterbury Match Play were all well supported. Unfortunately the season ending Tour Championship was a victim of COVID-19 with cancellation of the event.

The Woodward Cup was a fiercely contested interclub competition with the final played at Templeton. A new approach starting later in the year to avoid winter conditions proved successful. Not only was it played in better conditions it also allowed selection of teams closer to their event. A Sub-Committee commenced a review of the various interclub competitions across Canterbury to

ensure that they were meeting the needs and enjoyment of clubs and players, as well as providing a good lead-in to the Representative season. Unfortunately, COVID-19 interrupted this review but there are plans to complete the review by the end of this year.

Thanks to the Office staff Grant, Rachel and Mike along with Dennis Maguire as Tournament Director for their effort. Also the volunteers for giving up their time. Special thanks to the various clubs and club members for allowing tournaments to be played on your course.

The referees deserve a special mention for the time they give often in unpleasant conditions and no decisions to be made.

John Thompson
Convenor

9 Hole

There were a number of 9 hole Canterbury Golf and club tournaments as well as the interclub competition scheduled for the 2019/20 season.

The Canterbury Golf Women and Men’s 9 Hole Tournament played in September at Avondale Golf Club saw a field of 35 players enjoying sunny but cool conditions.

A pleasing number of Clubs were represented in both the 9 Hole Champion of Champions Trophy played at Russley Golf Club and Crystalp Jewelry Ringers Tournament played at Weedons Golf Club.

The Canterbury Golf Women and Men’s Christmas Tournament played at Kaiapoi Golf Club attracted a good field of 62 players.

There was generally good support for the mixed 9 Hole club tournaments that were able to be played. I would encourage all 9 hole players to support these tournaments, they are a great way to meet new people and play different courses.

2020 interclub saw 15 teams competing in 2 divisions, with again, an increasing number of men playing. Due to COVID-19 the interclub was postponed prior to the 5th round, after consultation with the team captains who were concerned about the possibility of exposure and the vulnerability of their players, the staff and volunteers to this virus.

When surveyed again prior to the Level 3 lockdown being introduced the 9 Hole teams supported the cancellation of the 2020 competition .

Thank you to the team captains, team members and Clubs for making yourselves available for Interclub and for your help in ensuring the rounds we were able to play ran smoothly. I look forward to seeing you all back for the 2021 competition.

Thank you to the Canterbury Golf Staff, and members of the Women’s Match Committee for their help and support over the past 12 months.

Claire Ballantyne
Convenor

Canterbury Metro

I am pleased to report that this year, despite the disruptions of COVID-19 late in the season, all of the interclub competitions administered by the Metro Committee were successfully executed.

Total playing numbers in the competitions we are responsible for are steady, with entries from Metro clubs for the 2020 Blank Cup season up 60% on 2019. It is pleasing to be able to report we have 10 teams competing in Blank Cup and 9 in Simon Cup this year with North and Central clubs keen to enter teams.

This increased interest in our premier grades may reflect the 2019 movement of the season towards spring, and the increased interest in golf following the COVID-19 lockdown.

My thanks to the members of the committee for their time, input and wise counsel, the competition convenors for their extra time commitment and to Mike Millward for his professional, timely and effective hard work in supporting us.

Noel Stewart
Convenor

Women’s Course Rating

The women have re-rated Coringa, Harewood, Russley and Christchurch for this year, with the help of John Thompson doing some measuring for us. There have been quite a few courses adding a Purple course, which is able to be done with NZ Golf without going to the courses.

It is getting difficult to recruit new rating people as some of us are wanting to retire.

Jill Jenkins
Womens Convener

Men’s Course Rating

The changes to rules of golf made for some minor changes in the rating figures. These mainly affected courses with water.

Courses physically rated were Everglades, Coringa, Christchurch and Kaiapoi.

Thank you to my fellow raters and the courses involved.

John Thompson
Convenor

Representative

The Representative Committee provides oversight to our representative program ensuring the structure, processes and policies provide Canterbury Golf with competitive teams along with a player development pathway to higher honours.

The Committee acknowledges the significant contribution of the volunteers who are appointed as selectors and managers. Their willing commitment, leadership and time given provides a vital component to our representative program. We are also grateful to our

sponsor Flexi Lease for their continued sponsorship of our Women’s team.

The highlight of the 2019/20 representative season was the Men’s Masters team who came a very close second to Bay of Plenty at the NZ Freyberg held at the Timaru Golf Club. Special mention goes to Aaron Forsyth and Jason Sincock, who went through the tournament unbeaten. Unfortunately, the Women’s Masters team was unable to defend their title due to the cancellation of the 2020 tournament due to COVID-19.

The Senior Men’s and Women’s teams both came 6th at the NZ Interprovincials in Hawkes Bay. While these results were not quite up to the player’s and Canterbury Golf’s expectations, there were a number of close matches that could have gone our way and seen the teams make the semi-finals. We remain confident that we have the players and development programs to enable us to compete and achieve success in the future.

The Canterbury Boys team finished 4th at the Boys Interprovincial at the Cambridge Golf Club, with the Girls finishing 5th at the Girls Interprovincial held in Rotorua. These tournaments remain an excellent pathway for our young up and coming golfers.

The following Canterbury golfers achieved NZ Representative Honours over the last year: Amelia Garvey – was part of the NZ Women’s Team that won the Astor Trophy for the first time at the Royal Colwood Golf Club in British Columbia. The Astor trophy involves 5 countries and has been played for every four years since 1959.

Matt McLean and Momoka Kobori – Represented NZ at the Spirit International Teams Event played at Whispering Pines Golf Course in Texas. The team tied for 3rd place. Momoka Kobori – Won her first US College tournament at the Dick McGuire Invitational, while representing Pepperdine University.

Kazuma Kobori – Represented NZ in the Junior Team at the APGC Junior Championship played at Hakone Country Club in Japan.

Peter Brinsdon – Was part of the NZ Seniors team that won the Asia-Pacific Seniors in Malaysia. Peter also finished runner up individually.

The Committee wishes to recognise and thank our Golf Development Manager, Rachel Thow for her tireless efforts and professional management of the representative program.

The current COVID-19 global pandemic is causing some disruption to our elite golfers who would normally be enjoying the opportunity to gain valuable golf experience overseas. While this will be a disappointment to them, it does allow them the opportunity to compete in NZ without restriction and have the chance to gain selection once again for their home province. This will provide some healthy competition for representative selection this year - an added bonus for Canterbury Golf.

Peter MacDonald
Convenor

Age Group

Firstly, I would just like to say thank you to my fellow Committee members for all the hard work they put in each year to focus on our core strategic objective of attracting and developing more young people into the game of golf through a variety of engaging programs. All our voluntary Committee members are passionate about junior golfers and commit a lot of their own time into helping create the opportunities for the game to grow flourish at this most important entry level.

It would be fair to say that this financial year has been one of two halves – earlier in the year, none of us would have predicted the unprecedented impact of COVID-19 of our overall way of life when lock-down commenced in March 2020. Whilst the lock-down period was challenging in many ways, it has been great to see that the recovery pathway of participation of young people back into golf has been strong with golf being one of the first to re-commence under Level 3 with large numbers of young people participating in junior events which have been organised since we moved into Level 1.

Prior to lock-down, Canterbury Golf continued to host a series of junior events and tournaments during weekends and school holidays, including 18 and 9-hole events, and Futures 9-hole events using Purple tees to ensure age and stage appropriate competition for our young golfers. It is great that these events have re-commenced post lock-down in the most recent July school holidays with high levels of participation.

The 2020 Junior Interclub foursomes’ competition was held before Christmas. In the 18-hole competition the Weedons team got up to win by 1 point from Kaiapoi. Competition was amazingly close with only 7 stableford points separating the top 4 teams over the 4 rounds. In the 9-hole competition, Avondale won over the Weedons Red team – again amazingly close finish with only 2 points separating the top two teams. Unfortunately, the Junior Interclub match-play competition had to be cancelled because of COVID-19.

Other youth events held during the year included the Canterbury Age Group Championships, encompassing both 9 and 18-hole events. Held at Templeton Golf Club, Zach May (Russley) led from the front throughout the 36-hole championship. In the girl’s field, Maddie May (Russley) won back to back titles. Hayden Lam (Everglades) won the Canterbury 16 Boys title whilst Etienne Collier (Avondale) performed at his best to win the Canterbury U13 Boys title. Scoring was very good in the 18-hole section with Jesse Mercer (Christchurch) winning the girls stableford and Louis Edwards (Avondale) winning the boys.

The Canterbury Secondary Schools Championship was held at Waitikiri Golf Course and contested by 37 players from 12 schools in the Canterbury region together with Ashburton and Mount Hutt College. The gross event was won by St Andrews College, with Burnside High School finishing as runners up.

Special mention should also go to a couple of Canterbury golfers who had a great tournament at the Eagles NZ U17 Boys & Girls Golf Championship, played at the Te Awamutu Golf Club. In the Girls U17 Championship Amy Weng (Russley) won the 54 Hole Gross by 1 shot, while Hayato Miya (Russley) won the Boys U17 Championship by a massive 11 shots. Lachie Mackay (Waimairi Beach) also had a great tournament finishing third in U17 Boys.

Earlier in the year the Canterbury Boys team achieved another top performance at the national Boys Interprovincial tournament played at Cambridge Golf Club. The team of Zach May, Lachie Mackay, Mac McCall, Ben Burgess, Seb May and Yuki Miya performed strongly to finish fourth, going unbeaten through the round robin stage and just losing out on a finals spot on a countback of matches won. Unfortunately, the South Island U19 interprovincial tournament had to be cancelled due to COVID-19.

The Canterbury Girls team of Maddie May, Yoyo Fu, Jasmine Clancy, Deanna Matthews, Estelle Lin and Jana Beneke finished a creditable 5th at their Interprovincial tournament in Rotorua. These events continue to provide valuable experience and development opportunities for our junior players.

A big highlight for Canterbury’s top junior players back in November, was the opportunity to test themselves against the China Junior Team that made the trip to Christchurch to compete at the second New Zealand-China Junior Golf Competition played at the Pegasus Golf & Sports Club. One of the objectives for the event was to help establish communication channels between the two countries for golf as well as initiating future training and coaching programmes at Pegasus Golf & Sports Club. Whilst the China team won overall, it was a great opportunity for our junior players to be able to develop their skills and experience by competing against top quality players.

Finally, once again a big thank-you to our Committee and the team at Canterbury Golf who assist and facilitate our development of young people. We look forward to the next year with hope and excitement as golf experiences a great opportunity to thrive.

INDEPENDENT AUDITOR'S REPORT

To the Members of Canterbury Golf Incorporated Report on the Financial Statements

Opinion

I have audited the Financial Statements of Canterbury Golf Incorporated which comprises the society information, the statement of service performance, statement of financial performance and statement of cash flows for the year ended 30 June 2020, statement of financial position as at 30 June 2020, fixed assets schedule and the notes to the Financial Statements.

In our opinion:

- the reported outcomes and outputs, and quantification of the outputs to the extent practicable, in the statement of service performance are suitable;
- the accompanying Financial Statements (containing the statements as specified in the opening paragraph) gives a true and fair view in accordance with Public Benefit Entity Simple Format Reporting – Accrual (Not-For-Profit) standards issued by the New Zealand Accounting Standards Board.

Basis for Opinion

The audit of the society information and statement of service performance were conducted in accordance with The International Standard on Assurance Engagements (New Zealand) ISAE (NZ) 3000 (Revised).

The audit of all other statements as listed in the opening paragraph was conducted in accordance with the International Standards on Auditing (New Zealand) (ISAs (NZ)).

Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of Canterbury Golf Incorporated in accordance with Professional and Ethical Standard 1 (Revised) Code of Ethics for Assurance Practitioners issued by the New Zealand Auditing and Assurance Standards Board, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

I believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other than in our capacity as auditor we have no relationship with, or interests in Canterbury Golf Incorporated.

Responsibilities of the Executive Committee for the Financial Statements

The Executive Committee is responsible for:

- Identifying outcomes and outputs, and quantifying the outputs to the extent practicable, that are relevant, reliable, comparable and understandable, to report in the statement of service performance;
- the preparation and fair presentation of the Financial Statements on behalf of the entity which comprises
 - the society information and statement of service performance
 - the statement of financial performance, statement of financial position, statement of cash flows, fixed assets schedule and notes to the Financial Statements in accordance with Public Benefit Entity Simple Format Reporting – Accrual (Not-For-Profit) standards issued by the New Zealand Accounting Standards Board.
- Such internal controls as the Executive Committee determine is necessary to enable the preparation of the Financial Statements that is free from material misstatement, whether due to fraud or error.

03 365 1071
bovan@smithandjack.co.nz

PO Box 10378
Christchurch 8145

34 Birmingham Drive
Middletown, Christchurch 8024

smithandjack.co.nz

- d) In preparing the Financial Statements, the Executive Committee is responsible on behalf of Canterbury Golf Incorporated for assessing the entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Executive Committee either intend to liquidate or to cease operations, or have no realistic alternative but to do so.

Auditor Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Financial Statements are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (NZ) and ISAE (NZ) 3000 (Revised) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this Financial Statements.

As part of an audit in accordance with ISAs (NZ) and ISAE (NZ) 3000 (Revised), we exercise professional judgement and maintain professional scepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks; and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances; but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of the use of the going concern basis of accounting by the Executive committee and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on Canterbury Golf Incorporated's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause Canterbury Golf Incorporated to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Executive Committee regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Society Information

Purpose of Canterbury Golf

Canterbury Golf Incorporated was formed in 2007 after the amalgamation of the men's and women's provincial golf bodies. Originally, the Canterbury Provincial Golf Association Incorporated was formed in 1947. Its aim is to support affiliate golf clubs and provide amateur golf services in the region.

Canterbury Golf has a close working relationship with its parent body New Zealand Golf.

Address

Registration Information

Incorporated Society Registration Date	8 October 1947
Incorporated Society Registration Number	219520
Charities Commission Registration Date	26 March 2010
Charities Commission Registration Number	CC43903

Executive Committee

Canterbury Golf is governed by an Executive Committee of volunteers who are all members of an affiliate golf club and have substantial business and golf experience.

President/Chairman	Steve Kilpatrick
Vice President/Vice Chairwoman	Kate Johnstone
Executive Committee Member	John Thompson
Executive Committee Member	Warren Houghton
Executive Committee Member	Peter MacDonald
Executive Committee Member	Pip Deans
Executive Committee Member	Kevin Hughes
Executive Committee Member	Michael Rondel
Executive Committee Member	Peter Brinsdon

Staff

Three full-time staff are employed to deliver golf services.

General Manager	Grant Lewis
Golf Development Manager	Rachel Thow
Golf Operations & Support	Mike Millward

Main Sources of Canterbury Golf's Cash and Resources

Canterbury Golf's activities are funded by member levies, grants, sponsorship, donations, interest, and activities that attract a user-pays contribution.

Main Methods Used to Raise Funds

Each year affiliate clubs are levied based on the number of individual members they have. This accounts for about 45% of Canterbury Golf's income. Sponsorship and grants from various companies, trusts and agencies accounts for a further 33% of income.

Reliance on Volunteers and Donated Goods or Services

Canterbury Golf relies on gifts of volunteer time and expertise to complete work in many essential governance and operational roles. Under the Executive Committee it operates 13 sub-committees all manned by volunteers.

Statement of Service Performance

Description of Canterbury Golf’s Outcomes

Based on its 2018-2021 Strategic Plan, Canterbury Golf delivered outcomes based on an Annual Management Plan that provided KPI's toward the achievement of the 2021 strategic goals.

These outcomes were centred around diversification of income, helping affiliate clubs to be sustainable, increasing participation in golf across all ages, promoting golf, improving golf administration and development across the mid and upper South Island, and improving the results of our representative teams. This is in addition to providing core administration services for interclub, tournaments, junior golf and club support.

Canterbury Golf has delivered services under budget for the financial year, assisted with supervising an extra golf development position in the region (NZ Golf Regional Support Manager). To its 37 member clubs it has delivered programmes and support to grow their participation, and continued with support for club sustainability. It ran a full calendar of tournaments and events, that included four junior tournaments, three Canterbury Championship tournaments, and 24 interclub competitions.

Achievement of these outcomes enables golf to improve its service and contribution to the well-being of the Canterbury community as a sport, pastime, and recreation.

Description of Canterbury Golf’s Outputs

During the financial year ended 30 June 2020, the Society delivered the following:

Income Diversification

Canterbury Golf has a sub-committee that focuses on diversifying its income sources so that it can remain sustainable for the future delivery of golf services. Possible projects are currently being considered for implementation. A tiered corporate sponsorship package was completed, and a community fund-raising initiative called “Friends of Canterbury Golf” is about to implemented.

Club Sustainability

Canterbury has worked with New Zealand Golf to supervise a Regional Support Manager for the region. The focus of this position is supporting clubs with their business and sustainability. Canterbury Golf have also provided direct leadership and consultation through the COVID-19 pandemic and lockdown period.

Participation

In 2018 Canterbury Golf implemented its new Young People in Golf Development Plan that put in place medium-term strategic goals focussing on improving service to young people, increasing participation, and fostering talented young golfers. National initiatives such as Love Golf Play, Love Golf Futures, Make Time Play 9 and She Loves Golf were supported at a regional level.

In February 2019 Canterbury Golf launched “Futures Canterbury” – an initiative to recruit and retain young people in golf. The Selwyn Hub of seven clubs was formed for the southern and western parts of the region and at balance date has 86 child and 42 adult members. In February 2020, based on the success of the Selwyn Hub, a second Hub was started called the North East Hub for north and eastern clubs in the region. At balance date it had 55 child and 21 adult members.

Promotion

In 2018 Canterbury Golf completed its Communications Plan – the goal to proactively communicate with stakeholders, and provide consistent messaging when promoting Canterbury Golf. Set objectives and KPI's are currently being implemented.

Golf Administration

The Mainland Partnership came to an end in December 2019 when Aorangi Golf and Tasman Golf ceased funding. Canterbury Golf continues to provide accounting services for Tasman Golf on a contract basis.

Representative Golf

Canterbury Golf provides Canterbury representative teams, and a supporting high performance and development programme. Through regular reviews, continual improvements are sought to increase the likelihood of success on the national stage. This year Canterbury teams performed well on the national stage with the highlight being the runner-up finish for the Canterbury Men’s Masters at the NZ Freyberg tournament.

Canterbury player Kazuma Kobori was recognised for his major achievements and won the Canterbury Young Sportsman of the Year award. Four Canterbury players also represented New Zealand on the international stage. Kazama along with Matt McLean also represented New Zealand in the Men’s Team. Amelia Garvey represented New Zealand in the Women’s Team where they won the Astor Trophy for the first time and Peter Brinsdon was part of the New Zealand Masters Team that won the Asia-Pacific Seniors.

Core Service Provision

Canterbury Golf continues to provide core administration services for interclub, tournaments, junior golf and club support, and through review, find ways of improving this service.

Financial Statement Notes

Statement of Accounting Policies

Measurement Base

The accounting principles recognised as appropriate for the measurement and reporting of earnings and financial position on an accrual basis are followed by the organisation.

The financial statements are prepared on the assumption that Canterbury Golf Inc. is a going concern.

The financial statements have been prepared in accordance with PBE SFR-A (NFP) Public Benefit Entity Simple Format Reporting which Canterbury Golf Inc. is eligible to apply.

Specific Accounting Policies

The following specific accounting policies which materially affect the measurement of profit and financial position have been applied:

Grants and Donations

Donations are treated as income upon receipt. Grants received conditional on expenditure for specific purposes are treated as liabilities until spent. Upon expenditure on the intended purposes grants are recognised as income.

Depreciation

Depreciation has been calculated using rates applicable to write assets off over their expected useful lives.

Goods & Services Tax

The financial statements have been prepared on a GST exclusive basis.

Fixed Assets

Fixed Assets are recorded at cost or revaluation less accumulated depreciation.

Revaluation of Assets

Land and buildings were last revalued based on the Christchurch City Council Valuation Notice of 1 August 2016.

Income Tax

The organisation promotes amateur sports and has a general exemption from taxation (s.CW 39).

Liabilities

Liabilities are stated at the estimated amounts payable and include obligations which can be reliably estimated.

Grants Received In Advance

At balance date the following grants and sponsorship were deemed to apply to the following financial year:

- The Rata Foundation \$20,000
- New Zealand Golf – Sir Bob Charles Fund \$2,250

Income in Advance

At balance date levies of \$111,965 invoiced prior to 30 June were carried forward to the next financial year.

Statement of Contingencies

Contingent liabilities at 30 June 2020 were nil.

Changes in Accounting Policies

There have been no changes in accounting policies.

Nature of Business

Canterbury Golf Incorporated is an association to foster, promote and control the game of golf as played and enjoyed by both men and women of all playing levels and all ages in the Association’s district.

Vehicle Lease Commitment

At balance date Canterbury Golf leased two vehicles from VFL Flexi Lease and the outstanding commitment under the lease agreements for the two vehicles totalled \$47,657.

Related Party

A company associated with Pip Deans (Executive Committee Member) has been contracted to provide services as Play Golf Canterbury Coordinator at market rates.

Kevin Hughes (Executive Committee Member) is providing coaching services and equipment to the Futures Canterbury Programme at market rates.

Notes to Accounts

Note 1

Funds on deposit \$284,201

- Kiwibank deposit 1.85% maturing 5 January 2021 \$101,006
- Heartland Bank - On Call 1.6% \$183,195

Note 2

Mainland Partnership Account

As part of an agreement with New Zealand Golf, Aorangi Golf, and Tasman Golf, Canterbury Golf managed club capability and golf development services across the geographical area of the Mainland Region, that is, the districts of Canterbury, Aorangi and Tasman. This agreement was known as the Mainland Partnership. The four parties had a three year agreement that ended on 30 June 2019, and after discussions, the partnership was finally terminated on 31 December 2019.

Canterbury Golf managed the financial arrangements of the partnership. All Mainland Partnership accounts are kept separate from Canterbury Golf’s finances. During the financial year income and expenses were:

Income	\$	Expenditure	\$
Aorangi Golf Grants	7,792	Aorangi CGM Costs	12,331
Tasman Golf Grants	24,561	Tasman CGM Costs	36,981
NZ Golf Grants	16,222		
Total Income	48,574	Total Expenditure	49,312

There was a shortfall of \$738 that Canterbury Golf has funded.

Note 3

Canterbury Golf Tourism Limited

Canterbury Golf is a 10% shareholder in this company formed to promote golf in the Canterbury region. The company is currently inactive until further notice, and Canterbury Golf have decided to write off the financial investment made in the company.

Note 4

Movement in Accumulated Funds

	Retained Earnings	Asset Revaluation Reserve	Future Projects Reserve	Total Equity
	\$	\$	\$	\$
Opening Balance 1 July 2019	451,444	420,191	0	871,635
Net Operating Profit and Other Comprehensive Income	36,694		0	36,694
Closing Equity 30 June 2020	488,138	420,191	0	908,329

Note 5

Government COVID-19 Assistance

Canterbury Golf received assistance totalling \$36,763. This was made up of:

- Government Wage Subsidies \$29,489
- Sport NZ Resilience Fund \$ 7,274

Note 6w

COVID-19 Pandemic

In late March 2020 the New Zealand Government ordered a four-week lockdown, during which the Canterbury Golf office was closed. The Association applied for, and received, the New Zealand Government Wage Subsidy which combined with reduced operating costs resulted in a nominal impact to the Association’s finances for March and April 2020.

Following re-opening of the office in late April 2020, operations returned to some normality although some services provided were below normal expectations. While the impact of COVID-19 on levy and sponsorship income is not yet completely known, the Executive Committee have forecast a significant drop in sponsorship and grant funding income for the 2020/2021 financial year.
