

Since 1941 Canterbury Golf has supported the growth of golf in the region with hundreds of volunteers directly supporting staff and the Executive Committee. "Friends of Canterbury Golf" is a community of like-minded people who want to contribute to the common goal of growing and supporting golf in the region.

We need your support for Canterbury Golf to continue to deliver and grow the services it offers.

Canterbury became my home in 1956 and I have been supporting and promoting golf in the region ever since. In my latter years I still get out and attend club celebrations and play with members. The "Friends of

Canterbury Golf" programme allows us all to get involved and support the game we love. I will be the first to sign up!

The "Friends of Canterbury Golf" programme is a great initiative and enables any of us to contribute to and feel a part of growing the game in Canterbury. As a lover of golf, whether big or small, we all have a part to play in the future of our game. I will be contributing as an individual and look forward to interacting with you as a "Friend of Canterbury Golf".
