The Hororata Golf Club is operating under the currency Covid19 Protection Framework. The Hororata Golf Club, as of 11.59pm, Thursday 2nd December 2021 introduced a Covid Protection policy of **open access to the golf course but vaccine pass access only to the clubhouse and facilities.**

Our key objective in developing a Covid-19 vaccination policy is to do everything we can to safeguard the health and safety of our staff, our members, and our many visitors and to allow the club to operate as normally as possible.

For unvaccinated players - mask wearing is encouraged around the clubhouse but not when you are playing golf - please maintain at least 2m distancing between groups on the course.

We ask that all members and visitors to Hororata Golf Club respect the decisions of individuals with regards to vaccinations.
