

JUNIOR FOURSOMES INTERCLUB

The Junior Foursomes competition provides the opportunities for teams to compete in an interclub competition which includes four different formats of the game.

Junior Foursomes has been setup as a developmental competition providing an opportunity for junior players to participate in either a 9 hole or 18 competition that is age and stage appropriate for their ability.

It is important that the children are supported to have a positive experience, adults that are involved as either Team Managers, Duty Team Supervisor or supporting parents should aim to always fall under the Climate of Development, please refer to the Good Sports Spine that is located on the Canterbury Golf website.

Duty Team Supervisor Responsibilities

To assist with the administration of interclub competitions run under Canterbury Golf, the Canterbury Golf Age Group Committee will appoint a duty team for each interclub round.

It is expected that the Duty Team Supervisor is separate to the Team Manager to complete the duties below.

2. Check the teams know their starting tees and tee times
3. Remind Managers to speak to their team about pace of play and course etiquette

5. Ensure that groups are moving at an appropriate speed throughout the round
6. Collect scorecards from each team
7. Submit 4BBB scorecards for handicapping
8. Ensure all Health and Safety procedures are followed
9. Send results sheets to Canterbury Golf the following day by email info@canterburygolf.co.nz

It is important the Duty Team Supervisor for the day encourages a positive and sporting atmosphere.

Any points of debate or conflict should be resolved by the Duty Team Supervisor responsible on the day.

The event should only be called off if the greens are unplayable due to flooding or wind, the Duty Team Supervisor is responsible for making this decision.
