SCORING

- **Senior Champions:** Gross, Net & Gross Stableford
- **Bronze Champions & Bronze Runners-Up:** Gross Stableford.

Bronze players may pick up if they can't score. Play out until your maximum score for handicapping is reached, and record that score and circle it, so we know it was a pick-up.

- **9 Hole Champions:** Gross only.
- **Longest Drives: 18 Hole (No. 18), 9 Hole (No. 9)**
Two Grades - Silver/Bronze & 9 Hole

Placing - 15cm in the General Area cut to fairway height or less. The ball should be marked before lifting.

Local rules - For all the GUR areas are as follows;

*If the ball is laying on new mounding surrounding holes 4,5,9,12 & 13 and on tree stumps marked with white paint, it is a compulsory free drop.
All other areas are in play and the usual golf rules apply, eg machinery tracks.*
