- (c) For the semi-finals and final, if the result is tied, each team will nominate one player to play off in sudden death match play from a nominated hole as determined by a Canterbury Golf Official or Referee. The first player to win a hole outright will have his team declared the winner.

10. PROMOTION / RELEGATION

At the conclusion of the competition, the highest placed team in Blank Cup after the final, that does not already have a team in Woodward Cup, will qualify to play in the Woodward Cup promotion/relegation match. If that does not apply, then after the Semi-Final. If that does not apply, then at the end of round robin competition.

The lowest placed team in Blank Cup will be subject to the Simon Cup promotion/relegation rules. These are as follows:

- (a) Only Simon Division 1 clubs, that do not already have a team in the competition above (Blank) and who have qualified for the semi/finals, are eligible for promotion. The following process will apply for those clubs:
 - (i) The club that wins Simon Division 1 will be automatically promoted to Blank and the lowest placed team in Blank will be relegated to Simon Division 1.
 - (ii) If no club is eligible under clause 10 (a)(i), then the next highest placed team earns the right to challenge the lowest placed team in Blank.
- (b) The format of the promotion/relegation shall be as follows:
 - (i) The promotion/relegation match shall be played at a neutral venue on the date advised in the Canterbury Golf calendar or by Canterbury Golf.
 - (ii) The competition shall be Match Play over 18 holes, played in accordance with the Blank Cup Conditions of Play. The winning team shall be entitled to compete in the Blank Cup competition in the subsequent year, with the losing team relegated to Simon Cup – Division 1.
 - (iii) In the event of a tie, each team shall nominate one player to play off in sudden death match play. The first player to win a hole outright shall have his team declared the winner.
 - (iv) The team shall comprise eight (8) players.
 - (v) The match is deemed to be part of the just ended interclub season.
 - (vi) A player may only play for his home club in the promotion/relegation unless the exception in clause (vii) is being used.
 - (vii) A player who played for their secondary club can choose whether he plays for the team he represented during the round-robin competition or his home club that has earned the right to play in the promotion/relegation. If the team he chooses wins the promotion/relegation, then he may only represent that club for the following year's Blank Cup competition, unless dispensation is applied for in writing and granted by the Committee.

- (c) Depending on the entries received in the following year and in the interests of having an ideal number of teams in each competition, the Committee reserves the right to allow an additional club to be promoted to a higher competition or a relegated club to remain in the competition they were competing in.

11. POSTPONEMENT / SUSPENSION OF PLAY / ABANDONMENT:

- (a) All matches will be played on the programmed dates, unless the Host Club, the Committee or the Canterbury Golf Official on duty deems the course to be unplayable. Note: A frost delay does not constitute an “unplayable condition”, only a delayed starting time.
- (b) In the event of adverse weather conditions or other significant events (e.g.) an earthquake, the Committee or Canterbury Golf Official on duty may postpone a match day round(s).
- (c) After commencement of play, the Canterbury Golf Official on duty may order a suspension of play under Rule 5.7 – Stopping Play; Resuming Play - which also includes circumstances that render the proper playing of the game impossible (e.g.) a significant medical event such as a heart attack. If suspension occurs, players should proceed according to Rule 5.7b and Rule 5.7d.
- (d) The Canterbury Golf Official on duty or the Committee will determine whether play will be resumed or the number of holes to be played be reduced to get a result or the round be abandoned. Resumption of play will proceed according to Rule 5.7c. For the semi-finals and finals if there is a suspension of play and not an abandonment, play must be resumed from where it was discontinued, even if resumption occurs on a later day.
- (e) Should any round be postponed or abandoned, it will be played on the “Reserve Day”. If a Reserve Day is not programmed, an alternate date may be scheduled, or two rounds may be played on a programmed date. However, if play on the Reserve Day or alternate date is abandoned, the round(s) will not be replayed in that years’ competition.

12. DISPUTES AND PROTESTS:

- (a) If a dispute on a “Rule of Golf” arises between players, the dispute will be resolved according to Rule 20 – Resolving Rules Issues During Round, Rulings by Referee and Committee.
- (b) For any other situation not covered by the Rules of Golf then the following would apply. Verbally lodge a protest with the Canterbury Golf Official on Duty or an On-Course Referee before the result of the match is final. The matter will then be referred to a Disputes Committee comprising of the Canterbury Golf Official on duty, a Canterbury Golf Referees Representative and/or a Canterbury Golf Representative.

NOTE: Any team lodging a Protest should NOT sign the Match Result Sheet for the Match concerned. The result of the match is final when both team representatives have signed the result sheet.

- (c) Should the Dispute/Protest not be settled on the day or there is information that a team became aware of after the result of the match was signed as being correct, then the dispute/protest must then be submitted in writing to the Canterbury Golf General Manager within 48 hours of the conclusion of the day’s play, together with submissions from all concerned parties for referral to the Committee for a decision.
- (d) All decisions made by the Committee, after due consideration, shall be final.

13. TROPHIES

The following trophies will be presented:

Winners – Blank Cup, Canterbury Golf Winners Plaque, Individual Gold Medals to players

Runners Up - Individual Silver Medals to players

Brian O’Malley Salver – Awarded to the player/s that had the best individual record in round-robin play.

14. HEALTH & SAFETY - DAILY REQUIREMENTS

- a) The Canterbury Golf official on duty is the designated Emergency Officer and Health & Safety Officer for that day.

- b) Where there is no designated person from Canterbury Golf on duty, the Host Club is responsible for nominating a person to take on this role. This may be the Host Club's Team Manager, a Club Committee Member, or other member nominated by the club.
- c) That person will complete the Event Health & Safety Sheet prior to the commencement of play.
- d) All Health & Safety matters or concerns should be addressed immediately and directly to the Canterbury Golf Official on duty. That person is responsible for taking any action required.
- e) All Players, Managers and Officials should be familiar with the NZ Golf "Suspension of Play" procedure documented in the NZ Golf Club Manual Section 5-9. This is summarised below:

How suspensions of play and the resumption are indicated –

1. Normal Suspension of play – three consecutive short notes of a hand siren.
2. Immediate Suspension of play for a dangerous situation – one prolonged note of a hand siren.
3. Resumption of play – two short notes of a hand siren.

Rule 5.7b illustrates what players are permitted to do in each situation after the siren has sounded –

1. Normal Suspension of play
 - a. If the players in a match or group are between the play of two holes (i.e., Walking to the next tee) they must not resume play until the resumption siren sounds.
 - b. If the players in a match or group have started the play of a hole, they may either discontinue play immediately or continue play of the hole, provided they do so without delay. Play must be discontinued after the hole has been completed.
2. Immediate Suspension of play for Dangerous Situation
Play must be discontinued immediately following a long blast on the siren. If a player fails to discontinue play immediately, he is disqualified.

Lifting ball when play discontinued – Rule 5.7d

When a player discontinues a hole (either normal suspension or immediate suspension) he should mark the position of his ball and lift it without penalty.

Procedure when play resumed – Rule 5.7c & d

Play must be resumed from where it was discontinued, even if it is a different day. If the marker has moved it must be estimated and the ball placed on the estimated spot.

EXTREME WEATHER GUIDELINES

For extreme weather conditions, the host club may suspend or abandon play (in conjunction with a Canterbury Golf representative), in accordance with Rule 5.7b. Play may be cancelled prior to teams arriving at the course and commencing play.

Interclub conditions of play may require abandoned matches to be declared null and void as we cannot guarantee alternative dates and courses. However, every effort will be made to reschedule.

PLAYER AND HOST CLUB RESPONSIBILITIES

Host clubs should monitor play and ensure that extra water and drinks are available around the course.

Players should take every possible precaution to manage their golf activities during hot weather. The following guidelines should be observed:

- Wear light coloured, loose fitting clothes, with high wicking (absorption) properties that provide for adequate ventilation.
- Wear head covering for shading – full cap/brimmed hat recommended. Use cart-mounted umbrella for shade.
- Apply sunscreen with a minimum SPF (Sun Protection Factor) rating of 30+. Re-apply at approximately two-hour intervals.
- Frequently consume fluids to avoid dehydration. Don't wait until you are thirsty – it's too late then. Carbohydrate-based sports drinks also replace carbohydrates and electrolytes lost during prolonged activity.
