Please note that priority will be given to Metropolitan Clubs and there is no guarantee that those Canterbury North and Central clubs will be accepted into the competition.
- (g) The Committee shall be responsible for running the competition but may involve other Canterbury Golf personnel or representatives to assist. The Committee will appoint a Canterbury Golf Official to run each competition day.

- (e) Clubs must submit their team in playing order plus the name of the Team Advice Giver to the Canterbury Golf Official on duty, prior to the start of each round.
- (f) The playing order of the team shall be 8 through 1 unless authorised by a Canterbury Golf Official or a Referee. It is also the responsibility of Clubs to ensure that their team play in the order as submitted. (i.e.) 1 plays 1, 2 plays 2 and so on.

During play, a player may be offered a lift in a motorised golf cart to put another ball in play for a lost ball or a ball out of bounds, so that a prompt pace of play is maintained.
- (h) The competition will be played under the current R & A Rules of Golf and Decisions on the Rules of Golf. Reference to applicable rules are stated as "Rule xx-x" in these conditions of play.
- (i) The Canterbury Golf Hard Card will apply. Note: any local rule allowing an alternative to the stroke and distance relief for a ball out of bounds, **will not** apply. The player must play a ball from where the previous stroke was made (Rule 14-6).

- (n) Players must maintain a prompt pace of play as outlined in Rule 5.6. Warnings of slow play may, but not necessarily, be given to a group or player/s in a group before penalties are applied. Team Advice Givers are expected to monitor their team's pace of play and advise their team members accordingly of any slow play.

5. TIME OF STARTING:

The player shall start off at the time of starting as laid down by Canterbury Golf unless another start time is authorised by the Canterbury Golf Official on duty on the day. If the player arrives at his starting point, ready to play within five (5) minutes after his starting time, the penalty for failure to start on time is loss of the first hole. Otherwise, the penalty for breach of this rule is disqualification (rule 5-3a).

6. TEAM ADVICE GIVER:

Each team shall:

- (a) Appoint one person as the Team Advice Giver (e.g.) team manager, team captain, professional golfer or coach, who may give advice (including pointing out a line for putting) to members of their team. The person appointed Team Advice Giver shall not be entitled to act in that capacity whilst playing in the competition but may act in that capacity only once his round is finished.

- (b) Such a person shall be identified to the Canterbury Golf Official prior to the commencement of each match.

(Penalty for breach of Condition 6 is disqualification of the team)

7. RESULTS:

Both team representatives must sign the result sheet confirming the result as correct.

8. MATCH PLAY CARDS:

It is recommended that match play cards be kept to record the scores and hole by hole results of the match. However, it is optional for the player to submit a match play card for handicapping purposes. If a card is submitted for handicapping purposes, then at least 13 holes in the match must have been played. The card must have the full 18 holes completed in accordance with the NZGI formula for uncompleted holes (i.e.) recorded as par plus any handicap strokes that the player is entitled to receive on the unplayed holes.

9. SEMI FINALS AND FINALS:

- (a) The Blank Cup semi-finals and finals will be played in conjunction with Woodward Cup at a course and on a date to be set by Canterbury Golf.
- (b) The top four (4) teams from the round robin play, (seeded relative to their finishing positions), will play in the semi-final/final competition. From round robin competition results, 1 will play 4, 2 will play 3.
- (c) i) In the event of a tie of points in the round robin the winner shall be the team with the largest total of individual games.
ii) Should clause i) fail to determine the finishing position; the result of the contest between the two teams in section play shall decide the winner.
iii) Should clause ii) fail to determine the finishing position; the result of a coin toss between the two teams in section play shall decide the winner.
- The same situation applies for all qualifiers for the semi-finals. This enables the correct seeding for the semi-finals/final.
- (d) For the semi-final and finals, if the result is tied, each team will nominate one player to play off in sudden death match play from a nominated hole as determined by a Canterbury Golf Official or Referee. The first player to win a hole outright will have his team declared the winner. In the interests of time for the afternoon final, any semi-final play-off will be limited to two holes. If there is no outright winner after two holes, then the team to go through to the final will be the higher seeded team. For a play-off in the final, players will play as many holes as necessary to get an outright winner.

10. PROMOTION/RELEGATION

At the conclusion of the competition, the highest placed Metro team in Blank Cup after the final, that does not already have a team in Woodward Cup, will qualify to play in the Woodward Cup promotion/relegation match. If that does not apply, then after the Semi-Final. If that does not apply, then at the end of round robin competition.

11. POSTPONEMENT / SUSPENSION OF PLAY / ABANDONMENT:

- (a) All matches will be played on the programmed dates, unless the Host Club, the Committee or the Canterbury Golf Official on duty deems the course to be unplayable. Note: A frost delay does not constitute an "unplayable condition", only a delayed starting time.
- (b) In the event of adverse weather conditions or other significant events (e.g.) an earthquake, the Committee or Canterbury Golf Official on duty may postpone a match day round(s).
- (c) After commencement of play, the Canterbury Golf Official on duty may order a suspension of play under Rule 5-7 – Stopping Play; Resuming Play - which also includes circumstances that render the proper playing of the game impossible (e.g.) a significant medical event such as a heart attack. If suspension occurs, players should proceed according to Rule 5.7b and Rule 5.7d.
- (d) The Canterbury Golf Official on duty or the Committee will determine whether play will be resumed or the number of holes to be played be reduced to get a result or the round be abandoned. Resumption of play will proceed according to Rule 5.7c. For the semi-finals and finals if there is a suspension of play and not an abandonment, play must be resumed from where it was discontinued, even if resumption occurs on a later day.

- (e) Should any round be postponed or abandoned, it will be played on the “Reserve Day”. If a Reserve Day is not programmed, an alternate date may be scheduled, or two rounds may be played on a programmed date. However, if play on the Reserve Day or alternate date is abandoned, the round(s) will not be replayed in that years’ competition.

12. DISPUTES AND PROTESTS:

- (a) If a dispute on a “Rule of Golf” arises between players, the dispute will be resolved according to Rule 20 – Resolving Rules Issues During Round; Rulings by Referee and Committee.
- (b) For any other situation not covered by the Rules of Golf then the following would apply. Verbally lodge a protest with the Canterbury Golf Official on Duty or an On-Course Referee within ten (10) minutes of completion of the round in which the disputed matter arose. The matter will then be referred to a Disputes Committee comprising of the Canterbury Golf Official on duty, a Canterbury Golf Referees Representative and/or a Canterbury Golf Representative.

NOTE: Any team lodging a Protest should NOT sign the Match Result Sheet for the Match concerned.

- (c) Should the Dispute/Protest not be settled on the day or there is information that a team became aware of after the result of the match was signed as being correct, then the dispute/protest must then be submitted in writing to the Canterbury Golf General Manager within 48 hours of the conclusion of the day’s play, together with submissions from all concerned parties for referral to the Committee for a decision.
- (d) All decisions made by the Committee, after due consideration, shall be final.

13. TROPHIES

The following trophies will be presented:

Winners – Blank Cup, Canterbury Golf Winners Plaque, Individual Gold Medals to players

Runners Up - Individual Silver Medals to players

Brian O’Malley Salver – Awarded to the player/s that had the best individual record in round-robin play.

14. HEALTH & SAFETY - DAILY REQUIREMENTS

- a) The Canterbury Golf official on duty is the designated Emergency Officer and Health & Safety Officer for that day.
- b) Where there is no designated person from Canterbury Golf on duty, the Host Club is responsible for nominating a person to take on this role. This may be the Host Club’s Team Manager, a Club Committee Member, or other member nominated by the club.
- c) That person will complete the Event Health & Safety Sheet prior to the commencement of play.
- d) All Health & Safety matters or concerns should be addressed immediately and directly to the Canterbury Golf Official on duty. That person is responsible for taking any action required.
- e) All Players, Managers and Officials should be familiar with the NZ Golf “Suspension of Play” procedure documented in the NZ Golf Club Manual Section 5-9. This is summarised below:

How suspensions of play and the resumption are indicated –

1. Normal Suspension of play – three consecutive short notes of a hand siren.
2. Immediate Suspension of play for a dangerous situation – one prolonged note of a hand siren.
3. Resumption of play – two short notes of a hand siren.

Rule 5-7b illustrates what players are permitted to do in each situation after the siren has sounded –

1. Normal Suspension of play
 - a. If the players in a match or group are between the play of two holes (i.e. Walking to the next tee) they must not resume play until the resumption siren sounds.
 - b. If the players in a match or group have started the play of a hole, they may either discontinue play immediately or continue play of the hole, provided they do so without delay. Play must be discontinued after the hole has been completed.
2. Immediate Suspension of play for Dangerous Situation
Play must be discontinued immediately following a long blast on the siren. If a player fails to discontinue play immediately, he is disqualified.

Lifting ball when play discontinued – Rule 5-7d

When a player discontinues a hole (either normal suspension or immediate suspension) he should mark the position of his ball and lift it without penalty.

Procedure when play resumed – Rule 5-7c & d

Play must be resumed from where it was discontinued, even if it is a different day. If the marker has moved it must be estimated and the ball placed on the estimated spot.

EXTREME WEATHER GUIDELINES

For temperatures 30°C and above, the host club may suspend or abandon play, in accordance with Rule 5.7b. Play should not be cancelled prior to teams arriving at the course and commencing play.

Temperatures should be verified by NZ Met Service or on-course information.

Interclub conditions of play require abandoned matches to be declared null and void as we cannot guarantee alternative dates and courses. However, every effort will be made to reschedule.

PLAYER AND HOST CLUB RESPONSIBILITIES

Host clubs should monitor play and ensure that extra water and drinks are available around the course.

Players should take every possible precaution to manage their golf activities during hot weather. The following guidelines should be observed:

- Wear light coloured, loose fitting clothes, with high wicking (absorption) properties that provide for adequate ventilation.
- Wear head covering for shading – full cap/brimmed hat recommended. • Use cart-mounted umbrella for shade.
- Apply sunscreen with a minimum SPF (Sun Protection Factor) rating of 30+. Re-apply at approximately two-hour intervals.
- Frequently consume fluids to avoid dehydration. Don't wait until you are thirsty – it's too late then. Carbohydrate-based sports drinks also replace carbohydrates and electrolytes lost during prolonged activity.
