

Unplayable Ball – Relief Procedure in diagrams

There are 3 relief options ALL of which are under a **penalty of one stroke**.

Ball Unplayable

Option 1 – **Stroke and Distance**

Option 2 - Drop a ball behind the point where the ball lay, keeping that point directly between the *hole* and the spot on which the ball is dropped, with no limit to how far behind that point the ball may be dropped.

Option 3 - Drop a ball within two club-lengths of the spot where the ball lay, but not nearer the *hole*.
