## Golf Club Insurance – Association liability

Association Liability Insurance is designed to specifically meet the legal liability insurance needs of non-profit associations and sporting clubs, including golf clubs. The policy protects club officials, employees and volunteers and the golf club itself against claims arising from negligent advice or service, or wrongful acts or omissions in running the golf club. If they personally and/or the club itself are the subject of legal action covered by the policy it will respond to their benefit and that of the organisation. The policy also includes cover for Fidelity Risk, providing insurance protection should the club suffer loss of money through any dishonest, fraudulent, malicious or illegal act or omission of an officer or employee.

Andrew Dufton at Abbott Insurance Brokers can offer advice on Association Liability for your golf club: [Andrew.dufton@abbottinsurance.co.nz](mailto:Andrew.dufton@abbottinsurance.co.nz) ph 3667536 mobile 0275 338 180
